ved designspecialist Peter Kjølgaard

Alle foredrag og Gallery Talks foregår på dansk

Children of the Danish Golden Age, The "Flora Danica" Books and a Cockpit Clock for Airplanes

A small boy with his drum, a girl with a green dress and plump arms and the big brother in a shirt with a ruffled collar, who lovingly holds his sister around the shoulder. Portraits of the bourgeoisie as a genre were central to the Danish Golden Age artists, and in 1827 the painter C.A. Jensen made a very fine painting depicting the influential Puggaard family's three children, Arnette Marie Bolette, Hans Christopher Wilhelm and Rudolph Christopher. The father, Hans Puggaard, was an enterprising businessman, while the mother Bolette defied the norms of the time for women and became an avid landscape painter. The Puggaard home also functioned as a cultural meeting place for the democratically oriented artists, intellectuals and politicians of the time (cat. no. 14).

We stay a little longer in the Danish Golden Age. A few months ago, we sold Martinus Rørbye's painting from Amalfi to the Nivaagaard Collection, a museum north of Copenhagen. Now we follow up with another Golden Age treasure by the same artist – this time from his honeymoon in Italy in 1840. The setting is by the water in Palermo overlooking the Catalano mountain. Three men are sitting on the pier, while the people of the city stroll along the harbour promenade. The work's creation and the experiences on Sicily are described in Rørbye's diary, which states, among other things, "they call my painting *una galanteria*, because they recognize everything they see in the world in the painting" (cat. no. 11).

Copenhagen as a motif has been favoured throughout Danish art history, and this time we can present the Golden Age painter Christen Købke's depiction of Garnisonspladsen (present-day Sankt Annæ Plads) and the later Paul Fischer's lively depiction of Kongens Nytorv with his wife Musse in the foreground. Depictions of women can also be found in the work of Fischer's contemporary, the artist Peter Ilsted, with three works containing women with their back turned. The special mood of silence in these works illustrates the artistic connection to the colleague and brother-in-law Vilhelm Hammershøi. The women were also a fond motif of L.A. Ring, and we can offer both a portrait of his first love, Johanne Wilde, and one of his wife Sigrd (e.g. cat. no. 5, 39 and 26).

Another great piece of art at the auction comes in the shape of a complete edition of "Flora Danica" – one of the world's most ambitious literary works

about plants. In keeping with the spirit of the Enlightenment, the work was intended to help spread the knowledge of Danish flora. It was the botanist G.C. Oeder, who in 1753 presented the idea to King Frederik V, and the beautiful work was created in a collaboration between scientists, copper printers and painters. Due to the enormous size of the work, it was first completed over 120 years later. In total, the offered example consists of 3240 hand-coloured plates with wild-growing plants from the Kingdom of Denmark (cat. no. 109).

We go even further back in time with a number of antiquities, such as a 2000-year-old female head, a capital of a column from the Roman Empire and an Egyptian canopic jar. The jar originates from 1292–1191 BC and has been used to store the internal organs from embalmed corpses. The lid is designed as a face depicting Imsety, son of the Egyptian sky god Horus (cat. no. 130, 135 and 127).

From antiquities to antiques – the catalogue contains an exceptionally fine collection of bronzes. A pair of large late Empire candelabra from the beginning of the 19th century by the French bronze caster Pierre Philippe Thomire are among the highlights together with a mantel clock, which with an alligator and a woman dressed in a feather suit is an allegory of the United States. The clock can be seen, like many other works of art from around 1800, as a tribute to the Swiss philosopher Jean-Jacques Rousseau's "Homme Naturel" (cat. no. 152 and 203).

On the last pages of the catalogue, we find a selection of the finest jewellery and most elegant wristwatches. Most people interested in diamonds will probably be thrilled by a platinum ring with a 10.00 ct. princess-cut diamond or a vintage necklace from Tiffany & Co. with brilliant- and square-cut diamonds totalling app. 12.00 ct. Finally, we take to the skies with quite the collector's item – Heuer's cockpit clock for airplanes in the form of a Rally Master from 1976. The owner has used it in his private plane for 44 years and over a combined distance of one million kilometres, which is equivalent to 25 trips around the world (cat. no. 383, 384 and 355).

Jesper Bruun Rasmussen

Guldalderens børn, bogværket Flora Danica og et navigationsur til flyvemaskiner

En lille dreng med sin tromme, en pige med grøn kjole og buttede arme og storebror i flæseskjorte, der kærligt holder sin søster om skulderen. Portrættet af borgerskabet som genre stod centralt for guldalderens kunstnere, og i et af auktionens værker har maleren C.A. Jensen i 1827 på fineste vis skildret den indflydelsesrige familien Puggaards tre børn, Arnette Marie Bolette, Hans Christopher Wilhelm og Rudolph Christopher. Deres far, Hans Puggaard, var en driftig handelsmand, mens moren Bolette trodsede tidens kvindenormer og blev en ivrig landskabsmaler. Det Puggaardske hjem fungerede da også som et kulturelt mødested for tidens demokratisk-orienterede kunstnere, intellektuelle og politikere (kat.nr. 14).

Vi bliver lidt i guldalderen! For ganske få måneder siden solgte vi Martinus Rørbyes motiv fra Amalfi til Nivaagaards Malerisamling. Nu følger vi op med en guldalderperle af samme kunstner – denne gang fra hans bryllupsrejse til Italien i 1840. Vi befinder os ved vandet i Palermo med udsigt til bjerget Catalano. Tre mænd har slået sig ned på molen, mens byens folk slentrer langs havnepromenaden. Værkets tilblivelse og oplevelserne på Sicilien er beskrevet i Rørbyes dagbog, hvor det blandt andet lyder: "De kalde mit Malerie una galanteria, fordi de gjenfinde Alt hvad de see i Virkelighed[en] for dem" (kat.nr. 11).

København som motiv har været yndet op gennem kunsthistorien, og denne gang præsenterer vi guldaldermaleren Christen Købkes gengivelse af Garnisonspladsen (i dag Sankt Annæ Plads), og den senere Paul Fischers livlige skildring fra Kongens Nytorv med hustruen Musse i forgrunden. Kvindeskildringer finder man også hos den samtidige kunstner Peter Ilsted med tre rygvendte kvinder i værker, hvis særlige stemning af stilhed anskueliggør den kunstneriske forbindelse til kollegaen og svogeren Vilhelm Hammershøi. Kvinderne som motiv holdt også L.A. Ring af, og vi byder både på et portræt af hans første kærlighed, Johanne Wilde, og et af hustruen, Sigrid (fx kat.nr. 5, 39 og 26).

Stor kunst finder man også med et komplet eksemplar af "Flora Danica" – et af verdens mest ambitiøse bogværker om planter. I tråd med oplysningstidens ånd blev det til for at udbrede kendskabet til den danske

flora. Det var botanikeren G.C. Oeder, der i 1753 forelagde idéen for Frederik V, og det smukke værk blev til i samarbejde mellem videnskabsfolk, kobbertrykere og tegnere. Som følge af det enorme omfang stod værket først færdigt over 120 år senere. I alt består det udbudte eksemplar af 3240 håndkolorerede plancher af vildtvoksende planter fra det danske rige (kat.nr. 109).

Vi spoler tiden endnu længere tilbage med en række antikker, fx et 2000 år gammelt kvindehoved, en søjlekapitel fra Romerriget og en egyptisk lågvase. Den såkaldte kanope stammer fra 1292–1191 fvt. og har været brugt til at opbevare indvoldene fra balsamerede lig. Låget er udformet som et ansigt, der forestiller Imsety, søn af den egyptiske himmelgud Horus (kat. nr. 130, 135 og 127).

Fra antikker til antikviteter – kataloget indeholder en usædvanlig fin samling af bronzer. Et par store senempire-kandelabre fra begyndelsen af 1800-tallet af den franske bronzestøber Pierre Philippe Thomire hører til højdepunkterne sammen med et kaminur, der med den unge siddende kvinde i fjerdragt og alligatoren er en allegori over Amerika. Uret kan i lighed med mange andre kunstgenstande fra omkring år 1800 ses som en hyldest til den schweiziske filosof Jean-Jacques Rousseaus "Homme Naturel" (kat.nr. 152 og 203).

På katalogets sidste sider findes et udvalg af de fineste smykker og mest elegante armbåndsure. De fleste med hang til diamanter vil nok begejstres over platinringen med et prinsesseslebent eksemplar på 10.00 ct. eller en vintagehalskæde fra Tiffany & Co. med brillant- og carrèslebne diamanter på i alt 12.00 ct. Vi bevæger os op i de højere luftlag med lidt af et klenodie – Heuers navigationsur til flyvemaskiner i form af et Rally Master fra 1976. Ejeren har anvendt det i sit privatfly gennem 44 år og over en samlet distance på én million kilometer svarende til 25 gange rundt om jorden (kat.nr. 383, 384 og 355).

DKK 8,000-10,000 / € 1,050-1,350

354

355

HEUER

Cockpit clock. Model Rally Master, ref. 24473. Mechanical movement with manual winding. Black dial with yellowed hour markers and hands. Mounted on steel plate. Diameter of both watches is 55 mm. 1976.

Provenance: The owner bought the cockpit clock Heuer Rally Master (Master Timer s.no. 24473/Monte Carlo s.no. 16643) at authorized dealer Ragnar in Odense, 1976. The clock has primarily been used in the owners plane (A. Cessna 172 - OY - TRR from 1974) as an important instrument for navigation and safe flight.

355

The Master Timers have primarily been used for their GMT function, but at longer hauls of 3-5 hours, the clocks have been used to show airbourne time (the clocks are reset and triggered during take-off). The planes endurance (the amount of time possible to be airbourne) is calculated by the amount of fuel, and the flight time should not exceed this amount, as the fuel tank will run empty. The fuel reserve is always calculated so that you can land with a reserve that amounts to a full hour of additional flight time.

The Monte Carlo stopwatch has been used for timing the different legs of the flight schedule, which must be calculated before take-off. The entire flightpath is divided into legs, and for each leg the wind and speed must be calculated, and together with the length

of the leg the expected flight time can be calculated, which must be monitored during the flight. If the flight time of the leg exceeds calculations, then the wind must be more powerful than initially calculated, and this must be compared to the fuel reserve as to not compromise with safety precautions.

After the introduction of navigational instruments containing GPS, which is the primary navigational system used today, the clocks have attained a secondary function. The Rally Master ref. 24473 has been continuously used the last 44 years with over 6.000 hours of flight time, which is approximately a flight distance of over one million kilometers. Accompanied by a book with the author's signature.

DKK 20,000 / € 2,700

Have You Tried Our

Did you know that every week of the year you can go treasure hunting among 1,500 auction lots at bruun-rasmussen.com?

Modern art, Scandinavian design classics and rare antiques – you can find the same kind of items as at our Live Auctions, but the prices are lower, from around DKK 3,000 to DKK 30,000. At the same time, the buyer's premium is also lower at our Online Auctions.

All the auction lots are described in detail and with photographs on bruun-rasmussen.com. It is our experienced and highly competent specialists who value each lot. This is to ensure that the quality of the auction lot is consistent with the description.

Full Service Shipping All Over the World

No matter where in the world you live, you can bid from your computer, cell phone or tablet at our auctions. We arrange shipping of your purchase and are ready to assist you throughout the process – from the auction to the arrival of the purchase on your doorstep.

Looking for Something Specific?

If you are looking for something specific at our auctions, you can create a search agent on our website, and we will notify you as soon as the particular item comes up for auction. You can also sign up to our newsletter to stay up to date on our Online Auctions and other activities.

Online Auctions?

Disse købsvilkår udgør Bruun Rasmussen Kunstauktioner A/S ("BRK") købsvilkår for traditionelle auktioner og er gældende fra 1. februar 2017.

BRK kan til enhver tid ændre købsvilkårene.

Ved bud accepterer budgiver/køber at være bundet af de til enhver tid gældende købsvilkår, som fremgår på bruun-rasmussen.dk. Købsvilkårene gælder både i forhold til erhvervsdrivende og forbrugere.

FØR AUKTIONEN

1 VURDERING AF GENSTANDE

1.1 Alle udbudte genstande er vurderet af BRK. Vurderingen er et skøn over det forventede hammerslag, jf. punkt 5.3. Vurderingen er baseret på tidligere salg af samme type genstande og erfaringer hos BRK. Hammerslag kan derfor falde højere eller lavere ud end vurderingen.

2 BESKRIVELSE AF GENSTANDE

- 2.1 Udbudte genstande præsenteres med fotos og beskrivelse i kataloger og på bruun-rasmussen.dk. Beskrivelsen foretages efter bedste overbevisning af BRK og ud fra en nøje undersøgelse efter den på salgstidspunktet herskende opfattelse blandt eksperter.
- 2.2 De udbudte genstande er af en alder og art, der bevirker, at de ofte er behæftede med slitage, mangler, beskadigelser og reparationer. Som udgangspunkt sælges alt som brugte genstande, og derfor indeholder beskrivelsen i kataloget og på bruun-rasmussen.dk ikke en redegørelse for ovenstående punkter eller genstandens stand.
- 2.3 I visse tilfælde vælger BRK at beskrive en genstands oprindelse. Det sker, hvis en tidligere ejer er offentlig kendt, og/eller hvis historien om et tidligere ejerskab belyser genstanden og dens art. Omvendt sker det også, at sådanne informationer udelades fra beskrivelsen, f.eks. for at imødekomme sælgers ønske om diskretion.
- 2.4 Vurderingen og beskrivelsen kan blive revideret forud for auktionen. Ændringer offentliggøres på bruun-rasmussen.dk

3 EFTERSYN

- 3.1 Udbudte genstande udstilles op til auktionen i et showroom hos BRK. Potentielle budgivere opfordres til at se genstanden efter i detaljer og har selv ansvaret for at forvise sig om dens stand på disse eftersyn, hvor der også er mulighed for at rådføre sig hos vurderingssagkyndige.
- 3.2 Hvis en potentiel køber ikke har mulighed for at besigtige genstanden ved selvsyn, kan der i de fleste tilfælde udfærdiges en konditionsrapport. Beskrivelsen heri er foretaget efter BRK's bedste overbevisning, men er ikke baseret på videnskabelige undersøgelser. En konditionsrapport tjener blot som identifikation og er ment som en hjælp til budgivere, der ikke selv har mulighed for at besigtige genstanden på eftersynet.

UNDER AUKTIONEN

4 BRK'S ROLLE

- 4.1 Salget af en genstand formidles af BRK på vegne af sælger. BRK afhænder altid udbudte genstande til den højst mulige pris under budgivningen.
- 4.2 Udbudte genstande kan have en med sælger aftalt mindstpris, hvorunder den ikke kan sælges. Denne pris er fortrolig.
- 4.3 De traditionelle auktioner overværes af en af Justitsministeriet beskikket auktionsleder, der sikrer, at auktionerne går retmæssigt for sig.

5 BUDGIVNING

- 5.1 Auktionerne afvikles i danske kroner. De tilnærmelsesvise beløb i euro/US dollar vil blive oplyst på skærme i auktionssalen og i øvrigt på opfordring.
- 5.2 Auktionarius bestemmer overbuds størrelse og i hvilket tempo, auktionen afvikles. Overbud stiger normalt med 5 % - 10 % i forhold til det foregående bud. Normalt sælges der 50-100 katalognumre i timen.
- 5.3 Hammerslag betegner både det forhold, at auktionarius slår med hammeren og derved markerer budgivningens afslutning, og den pris (budsum), den udbudte genstand sælges til. Se punkt 7 vedrørende beløb, der tillægges hammerslaget.
- 5.4 Køber er den budgiver, der opnår hammerslag. Ved hammerslaget indgås på baggrund af disse købsvilkår en bindende købs-/salgsaftale.
- 5.5 Bydes på andres vegne, hæfter budgiver som selvskyldnerkautionist for handlen.
- 5.6 Genstande købes som beset, og køber har uanset budtype ingen fortrydelsesret, heller ikke efter forbrugeraftaleloven.
- 5.7 Budgiver skal efter anvisninger fra BRK identificere sig og dokumentere sin betalingsdygtighed, f.eks. ved registrering af gyldigt betalings-/kreditkort, bankgaranti eller indbetaling af depositum.
- 5.8 BRK kan nægte at acceptere et bud, hvis en tilstrækkelig sikkerhed for betaling mangler, eller hvis budgiver tidligere har misligholdt betalingsforpligtigelser ved køb hos BRK.
- 5.9 Auktionslederen træffer i samråd med auktionarius afgørelse i alle tvivlstilfælde omkring budgivningen.

6 BUDTYPER

- 6.1 Der er følgende muligheder for at afgive bud:

PERSONLIGT FREMMØDE:

Registrering og udlevering af bydeskilt foregår ved indgangen til auktionssalen. Når budgiver ønsker at byde, signaleres dette til auktionarius ved at række bydeskiltet i vejret og tydeligt fremvise dets nummer.

KOMMISSIONSBUD:

Det ønskede maksimale bud kan afgives via bruun-rasmussen.dk frem til auktionens start eller pr. e-mail, fax eller telefon, så budet er modtaget senest 24 timer forud for auktionens start. En kommissionær byder på budgivers vegne inden for rammerne af det ønskede maksimalbud og vil altid afgive lavest muligt overbud.

TELEFONBUD:

I forhold til visse genstande er der mulighed for at blive ringet op af en medarbejder fra BRK, der vil byde på budgivers vegne under auktionen. Servicen kan bestilles via bruun-rasmussen.dk indtil tre timer for auktionens start.

LIVE BIDDING:

Det er muligt at følge auktionen live og byde med via bruun-rasmussen.dk

FORAUKTION:

Visse traditionelle auktioner indledes med en net-auktion. De højeste bud på net-auktionen danner udgangspunktet på den efterfølgende traditionelle auktion.

EFTER AUKTIONEN

7 BELØB, DER TILLÆGGES HAMMERSLAGET

- 7.1 1 tillæg til hammerslaget, jf. punkt 5.3, skal køber for den enkelte genstand betale købersalær og, hvis betingelserne er opfyldt, de øvrige beløb, der er nærmere beskrevet nedenfor. Det samlede beløb, som køber skal betale til BRK, benævnes "købesummen".
- 7.1.1 Købersalær: Hammerslaget tillægges et salær til BRK. På de traditionelle auktioner udgør salæret 24 % af hammerslaget + moms af salæret, i alt 30 %. For frimærker og mønter udgør salæret 20 % af hammerslaget + moms af salæret, i alt 25 %.
- 7.1.2 "LIVE bidding": BRK's egen "LIVE bidding"-software via bruun-rasmussen.dk er gratis at benytte for budgivere. Benyttes en "LIVE bidding"-software fra tredje part, tillægges købersalæret en afgift på 3 % plus moms, der videregives til tredje part i sin helhed.
- 7.1.3 Fuldmoms: Visse genstande handles efter de gældende regler om fuldmoms. Her beregnes der moms på 25 % af både hammerslag og salær. Disse genstande er i beskrivelsen i kataloget og på bruun-rasmussen.dk mærket med symbolet "*" eller med teksten: "Dette emne handles i fuldmoms".
- 7.1.4 Kunstnerafgift: Ifølge dansk lovgivning om ophavsret skal der opkræves kunstnerafgift (følgeretsvederlag) for værker af nyere danske og visse udenlandske kunstnere, som enten er nulevende eller ikke har været døde i mere end 70 år. Kunstnerafgiften opkræves på vegne af VISDA. Disse værker er i kataloget mærket med "ARR" (Artist's Resale Right) og på bruun-rasmussen.dk med teksten "Dette emne er belagt med kunstnerafgift". Kunstnerafgiften tillægges hammerslaget + salær (ekskl. moms), når beløbet overstiger 300 euro, som angivet nedenfor:

Hammerslag + salær (ekskl. moms)	Betalingsatts
300 - 50.000 euro	5%
50.000 - 200.000 euro	3%
200.000 - 350.000 euro	1%
350.000 - 500.000 euro	0.5%
over 500.000 euro	0.25%

Kunstnerafgiften kan ikke overstige 12.500 euro (ekskl. moms) for den enkelte genstand. Afgiften skal betales i danske kroner, og omregningskursen (EUR/DKK) fastsættes af VISDA.

- 7.1.5 Betalings-/kreditkortgebyr: BRK forbeholder sig ret til at opkræve de af indløsningselskaberne pålagte betalings-/kreditkortgebyrer. Satserne fremgår ved budgivning via bruun-rasmussen.dk og ved betaling.

8 BETALINGSFRIST

- 8.1 Købesummen forfalder til betaling ved hammerslaget, og køber har herefter otte dage til at betale købesummen til BRK.

9 BETALINGSMÅDER

- 9.1 Betaling kan ske på følgende måder:

A: MED BETALINGS-/KREDITKORT (Dankort, Visa, MasterCard, Diners Club, China UnionPay og JCB) eller kontant (op til 50.000 kr.) i auktionssalen eller efterfølgende i en afdeling hos BRK.

B: MED BETALINGS-/KREDITKORT (Dankort, Visa, MasterCard, Diners Club og JCB) på bruun-rasmussen.dk under købers personlige side.

C: VIA BANKOVERFØRSEL til BRK's konto i Danske Bank: 4183 4310970638 · Swift/BIC: DABADKXX · IBAN: DK4130004310970638.

10 MOMSFRTAGELSE, -BETALING OG -DEPONERING

- 10.1 Visse købere kan vælge hvilken momstype, der skal være gældende for handlen. Valget skal meddeles BRK senest to hverdage efter købet og kan ikke omgøres.
- A: Momsregistrerede virksomheder i Danmark kan vælge, at handlen skal ske efter reglerne om fuldmoms, jf. punkt 7.1.3.
- B: Momsregistrerede virksomheder i et andet EU-land kan fritages for dansk moms, når det kan dokumenteres, at genstanden er transporteret til den udenlandske adresse, som køber har oplyst over for BRK, og som er anført på fakturaen. I sådanne tilfælde skal der afregnes moms efter de gældende regler i det land, hvor køber er momsregistreret. Det tilrådes at søge oplysning hos de lokale myndigheder. Køber kan undlade at gøre brug af muligheden for momsfritagelse og i stedet betale dansk brugtmoms/fuldmoms.
- C: Købere med bopæl uden for EU kan fritages for dansk moms, når det kan dokumenteres, at genstanden er transporteret ud af EU. BRK udsteder så vidt muligt og mod gebyr de fornødne eksportpapirer, som skal fremvises ved toldmyndighederne. Køber kan undlade at gøre brug af muligheden for momsfritagelse og i stedet betale dansk brugtmoms/fuldmoms.
- 10.2 Momsregistrerede virksomheder i et andet EU-land og købere med bopæl uden for EU skal deponere den danske moms af fakturabeløbet hos BRK, indtil eksporten er gennemført på dokumenteret lovpligtig vis. Foretages eksporten af en af BRK godkendt speditør, skal momsen ikke deponeres. Se listen over godkendte speditører på bruun-rasmussen.dk

11 OVERSKRIDELSE AF BETALINGSFRIST

- 11.1 Overskrides en betalingsfrist, herunder fristen i punkt 8, opkræves morarenter, som beregnes efter Nationalbankens officielle udlånsrente + 8 % om året af det skyldige beløb.
- 11.2 Betales købesummen inkl. renter ikke senest ti dage efter, at der er fremsat påkrav herom, er BRK berettiget til at søge købesummen betalt ved modregning i depositum/ved træk på bankgaranti eller at hæve købet.
- 11.3 Hæves købet, er BRK berettiget til at sælge genstanden på en ny auktion og kræve omkostningerne og en eventuel difference mellem hammerslag (samt salær), der er opnået på de to auktioner, betalt af den misligholdende køber.
- 11.4 Alle forfaldne krav (inkl. omkostninger), som ikke betales rettidigt, kan BRK i tillæg til inkasso søge inddrevet på følgende måder:
- A: For købers regning sælge genstande indleveret til auktion af eller på vegne af køber. Salget kan gennemføres uden hensyntagen til en aftalt mindstepris. Genstande indleveret til auktion kan ikke kræves udleveret, så længe forfalden gæld henstår ubetalt.
- B: Inddrage købers tilgodehavende hos BRK, herunder tilgodehavende fra salg af genstande indleveret af eller på vegne af køber, uanset om et sådant tilgodehavende stammer fra auktionssalg, som ligger forud for eller efter tidspunktet for købers misligholdelse.

12 AFHENTNING OG UDLEVERING

- 12.1 Ejendomsretten til en købt genstand overgår til køber, når hele købesummen inkl. eventuelle renter og gebyrer er betalt, og først herefter kan udlevering af genstanden finde sted.
- 12.2 Ved udlevering af en købt genstand forbeholder BRK sig retten til at kræve tilfredsstillende dokumentation for, at den person, som ønsker genstanden udleveret, enten selv er køberen eller er bemyndiget af køberen til at få genstanden udleveret.
- 12.3 Udlevering af visse våben kræver forevisning af gyldig våbentilladelse. Sådant krav er angivet med teksten "Køb af dette emne kræver forevisning af gyldig våbentilladelse" i kataloget og på bruun-rasmussen.dk
- 12.4 Købte genstande henligger fra hammerslaget for købers regning og risiko. Afhentning skal ske senest otte hverdage efter sidste auktionsdag.
- 12.5 Foretages afhentningen ikke rettidigt, transporteres de købte genstande til et lager for købers regning og risiko. Transporten koster 150 kr. inkl. moms pr. genstand, og opbevaringen koster 150 kr. inkl. moms pr. genstand pr. påbegyndt uge. Henligger en genstand uafhængt i så lang tid, at lagerlejen overstiger genstandens værdi, er BRK berettiget til for købers regning og risiko og uden hensyn til mindstepris at bortauktionere genstanden eller sælge den underhånden. Køber hæfter fortsat for udgifter til transport og lagerleje, der ikke dækkes ved sådant salg.

13 FORSENDELSE

- 13.1 Er køber forhindret i selv at afhente en genstand, tilbyder BRK for købers regning og risiko at emballere og arrangere forsendelse enten med post eller speditør. Se punkt 12.2 angående legitimation.

14 EKSPORTTILLADELSE

- 14.1 For at sikre at dansk kulturarv af afgørende betydning forbliver i Danmark, kan Kulturværdiudvalget for visse genstandes vedkommende nedlægge eksportforbud. Hvis køber ønsker at eksportere en genstand ud af Danmark, hvor der er nedlagt et eksportforbud, annulleres købet, og Kulturværdiudvalget er forpligtet til at overtage genstanden til den pris, der blev opnået på auktionen. Køber kan ikke rejse krav mod BRK som følge af, at et eksportforbud bliver nedlagt.
- 14.2 Visse genstande er omfattet af Washingtonkonventionen, også kendt som CITES, der har til formål at stoppe ulovlig handel med genstande fremstillet af udryddelsestruede vilde dyr og planter. Såfremt en genstand er omfattet af Washingtonkonventionen, CITES, liste 1, vil det fremgå af beskrivelsen på bruun-rasmussen.dk og være markeret med symbolet "☉" i kataloget. Følgende regler gør sig gældende:

A: Genstande omfattet af Washingtonkonventionen, CITES, liste 1, må kun handles, når der foreligger en dispensation i form af et såkaldt CITES-salgscertifikat. BRK indhenter det fornødne certifikat fra Naturstyrelsen, der tillader handel og eksport til lande inden for EU. Dog kan genstande, som er færdigforarbejdet før 1947, frit handles inden for EU uden et certifikat.

B: Det er alene genstande omfattet af Washingtonkonventionen, CITES, liste 1, som er særkilt markeret på bruun-rasmussen.dk og i kataloget. Genstande omfattet af Washingtonkonventionen, CITES, liste 2, der frit kan sælges og transporteres inden for EU, er ikke særkilt markeret.

C: Ved eksport til lande uden for EU skal der uanset årstallet for genstandens færdigforarbejdning altid indhentes en CITES-reeksporttilladelse fra Naturstyrelsen, når genstanden er omfattet af Washingtonkonventionen, CITES, liste 1 og 2. Denne eksporttilladelse kan

normalt indhentes problemfrit, når liste 1-genstande enten er solgt med et CITES-salgscertifikat eller er færdigforarbejdet før 1947. Liste 2-genstande opnår ligeledes normalt problemfrit en reeksporttilladelse.

D: I forbindelse med eksport til lande uden for EU kan særlige regler gøre sig gældende ifm. den efterfølgende import, og køber opfordres til at indhente oplysninger fra egne myndigheder.

15 MANGLER VED KØBTE GENSTANDE

- 15.1 Købelovens mangelsregler kan finde anvendelse. Nedenfor er angivet et ikke udtømmende uddrag af købers mangelsbeføjelser.
- 15.2 Køber er berettiget til at annullere et køb, hvis beskrivelsen har været behæftet med væsentlige fejl, der har ført til et højere hammerslag, end en korrekt beskrivelse ville have resulteret i. I sådanne tilfælde vil den samlede købesum blive refunderet. Køber kan ikke kræve betaling af renter af købesummen eller kræve dækning af anden udgift eller tab.
- 15.3 Et køb kan ikke annulleres, og køber kan ikke kræve købesummen refunderet eller rejse noget andet krav mod BRK, hvis beskrivelsen af genstanden er i overensstemmelse med punkt 2, eller hvis en påvisning af falskneri havde krævet brug af videnskabelige metoder, der enten ikke var tilgængelige på salgstidspunktet, havde været uforholdsmæssigt omkostningskrævende at anvende eller havde ført til beskadigelse af den pågældende genstand.
- 15.4 Krav om annullering af et køb skal meddeles BRK, når køber er blevet bekendt med det forhold, der berettiger køber til at annullere købet, dog senest to år fra den seneste afhentningsdato efter punkt 12.4. Den købte genstand skal returneres til BRK i samme stand som på hammerslagstidspunktet. Overholdes disse betingelser ikke, mister køber retten til at annullere købet og kan ikke kræve købesummen refunderet. Køber er selv ansvarlig for at betale de omkostninger, der er forbundet med returnering af genstanden.

16 INDSIGELSE- OG ANSVARSBEGRÆNSNING

- 16.1 BRK tager forbehold for fejl, tekniske vanskeligheder samt udefrakommende misbrug eller forstyrrende påvirkning under auktionen. Budgivere kan ikke rejse noget krav mod BRK som følge heraf.
- 16.2 Køber er i alle tilfælde selv ansvarlig for korrekt betaling af moms og andre afgifter, gebyrer mv. i overensstemmelse med danske og udenlandske regler.
- 16.3 Medmindre andet fremgår af disse købsvilkår, kan BRK aldrig blive ansvarlig for budgivers/købers driftstab, avancetab, andre indirekte tab eller følgeskader.

17 PERSONDATAPOLITIK

- 17.1 Det er vigtigt for BRK at sikre fortrolighed og sikkerhed omkring budgivers/købers personlige oplysninger. Persondatapolitikken fremgår af bruun-rasmussen.dk.

18 KLAGE, TVISTLØSNING OG LOVVÆLG

- 18.1 Har budgiver/køber en klage, kan der altid rettes henvendelse til BRK.
- 18.2 Er budgiver/køber forbruger, og kan der ikke findes en løsning, kan der klages til Center for Klageløsning, Nævnens Hus, Toldboden 2, 8800 Viborg, hvis betingelserne herfor er opfyldt. Budgiver/køber kan klage til Center for Klageløsning via forbrug.dk.
- 18.3 Tvister skal indbringes i Danmark ved Københavns Byret, jf. dog punkt 18.2. I forbrugerforhold gælder de ufravigelige værmetingsregler.

Jesper Bruun Rasmussen, auktionsholder

Rev. 06.18

CONDITIONS OF PURCHASE – TRADITIONAL AUCTIONS

These conditions of purchase represent Bruun Rasmussen Kunstauktioner A/S' ("BRK") conditions of purchase for traditional auctions and are effective from 1 January 2017. BRK may modify the conditions of purchase at any time.

By bidding, the bidder/buyer accepts the current conditions of purchase as they appear on bruun-rasmussen.dk. The conditions of purchase are applicable to both business owners and consumers.

BEFORE THE AUCTION

1 VALUATION OF ITEMS

- 1.1 All the offered items are valued by BRK. The valuation is an estimate based on the expected hammer price, see paragraph 5.3. The estimate is based on the previous sale of similar items as well as BRK's past experience. The hammer price can therefore be higher or lower than the estimated price.

2 DESCRIPTION OF ITEMS

- 2.1 Items up for auction are presented with photographs and descriptions in catalogues and on bruun-rasmussen.dk. The description is worded according to the best of BRK's knowledge and based on detailed research in accordance with the prevailing views among experts at the time of sale.
- 2.2 The items up for auction are of an age and nature that often mean that they are in a worn, repaired or damaged condition. As a starting point everything is sold as used items. For this reason, the descriptions in the catalogue or at bruun-rasmussen.dk do not include a statement regarding the above or the condition of the item.
- 2.3 In some cases, BRK may choose to describe an item's provenance. Such a description is made if a former owner is publicly known and/or if the story of previous ownership sheds further light on the item and its background. In other cases, such information is left out of the description, for instance to meet the seller's wish for privacy.
- 2.4 It is possible that the estimate and description are revised prior to the auction. Changes are published on BRK's website.

3 PREVIEW

- 3.1 Items up for auction are presented prior to the auction in one of BRK's showrooms. Potential bidders are encouraged to inspect the items closely and are responsible for determining the condition of the items at these previews, where they also have the opportunity to consult with the valuation experts.
- 3.2 If a potential buyer does not have the opportunity to inspect the item personally, a condition report can be drafted in most cases. The description in this report has been made according to BRK's honest conviction but is not based on scientific studies. A condition report only serves as an identification and is meant as an aid to bidders who do not have the opportunity to inspect the item at the preview.

DURING THE AUCTION

4 THE ROLE OF BRK

- 4.1 The sale of an item is facilitated by BRK on behalf of the seller, and BRK always sells items up for auction at the highest price offered during the bidding round.

- 4.2 Items up for auction can have a reserve price that has been agreed upon with the seller. The price is confidential and the item cannot be sold below this price.
- 4.3 The traditional auctions are presided over by one of the Danish Ministry of Justice's appointed auctioneers, ensuring that the auctions proceed correctly and lawfully.

5 BIDDING

- 5.1 The currency used while the auctions take place is Danish kroner. The approximate amount in euro/US dollars is shown on screens in the saleroom and also on request.
- 5.2 The auctioneer determines the size of the bid increment and the pace of the auction. Bid increments usually rise by 5% - 10% compared to the previous bid. Approximately 50-100 auction lots are sold per hour.
- 5.3 The hammer price refers both to the gavel used by the auctioneer that signifies the end of a bidding round on an item and to the price (bidding amount) that the item up for auction is sold for. See paragraph 7 regarding amounts added to the hammer price.
- 5.4 The buyer is the bidder that submits the highest bid, thereby obtaining the hammer price. At the moment the hammer price is determined, a binding purchase/sale agreement is entered into based on these conditions of purchase.
- 5.5 If bids are made on behalf of others, the bidder serves as surety for the transaction.
- 5.6 Items are purchased in their present state and condition, and regardless of the type of bidding the buyer has no right to cancel his purchase, neither under the Danish Consumer Contracts Act.
- 5.7 Bidders are required, in accordance with BRK's instructions, to identify themselves and document their ability to pay, for instance by registration of a valid debit/credit card, bank guarantee or a deposit.
- 5.8 BRK may refuse to accept a bid if a sufficient guarantee of the bidder's ability to pay is not provided, or if the bidder has previously defaulted on payment obligations on purchases from BRK.
- 5.9 The overseeing auctioneer will, in consultation with the auctioneer at the podium, decide what to do in matters of dispute concerning a bidding round.

6 TYPES OF BIDDING

- 6.1 Bidding options:

IN PERSON:

Registration and obtaining the bidding paddle take place at the entrance to the saleroom. When the bidder wishes to bid, it is signalled to the auctioneer on the podium by raising the bidding paddle in the air and clearly displaying its number.

COMMISSION BIDS:

The intended maximum bid can be submitted via bruun-rasmussen.dk until the start of the auction or by e-mail, fax or phone, so that the bid is received no later than 24 hours prior to the start of the auction. A commission agent bids on behalf of the bidder within the limits of the stated maximum bid. The commission agent will always bid the lowest possible amount to achieve the hammer price.

TELEPHONE BID:

With certain items it is possible to have a BRK employee call the bidder over the phone. The employee will then bid on behalf of the bidder during the auction. The service can be booked via bruun-rasmussen.dk up until three hours before the auction is set to begin.

LIVE BIDDING:

It is possible to follow the auction live and bid on the auction lots via bruun-rasmussen.dk.

PRE-AUCTION:

Some traditional auctions are preceded by an online auction. The highest bids from the online auction then represent the starting bids at the following traditional auction.

Diners Club, China UnionPay and JCB) or cash (up to DKK 50,000) in the saleroom or subsequently at one of BRK's locations.

B: With debit/credit card (Dankort, Visa, MasterCard, Diners Club and JCB) via BRK's website on the buyer's personal page.

C: By bank transfer into BRK's account with Danske Bank: 4183 4310970638 · Swift/BIC: DABADKKK · IBAN: DK4130004310970638.

AFTER THE AUCTION

7 AMOUNTS ADDED TO THE HAMMER PRICE

7.1 In addition to the hammer price, see paragraph 5.3, the buyer pays a buyer's premium for the individual items as well as the other amounts described below if the conditions for these are applicable. The total amount that the buyer pays to BRK is called the "purchase price".

7.1.1 Buyer's Premium: The hammer price always includes an additional fee to BRK. At the traditional auctions, the fee is 24% of the hammer price + VAT of the fee, 30% in total. For stamps and coins, the fee is 20% of the hammer price + VAT of the fee, a total of 25%.

7.1.2 "LIVE Bidding": BRK's own "LIVE Bidding" software is free to use for bidders on bruun-rasmussen.dk. If a "LIVE Bidding" software from a third party is used, an additional 3% (including VAT) is added to the buyer's premium. The added fee is transferred to the third party in its entirety.

7.1.3 Full VAT: Certain items are sold at auction in accordance with the current rules regarding full VAT. In such a situation, a VAT of 25% is imposed on both the hammer price and the buyer's premium. These items are marked in the catalogue and on bruun-rasmussen.dk with the symbol "**", or with the text: "This item is subject to full VAT".

7.1.4 Artist's Resale Right: In accordance with Danish copyright law, a royalty fee covering the Artist's Resale Right has to be charged for works by newer Danish artists, and some foreign artists, who are either alive or have not been dead for more than 70 years. The royalty fee covering the Artist's Resale Right is charged on behalf of VISDA (Visual Rights Denmark). These works are marked "ARR" in the printed catalogue, and on bruun-rasmussen.dk the description of the works includes the text: "This lot is subject to the Artist's Resale Right". The royalty fee covering the Artist's Resale Right is added to the hammer price + the buyer's premium (excluding VAT) if the amount exceeds EUR 300, as indicated below:

Hammer price + buyer's premium (ex. VAT)	Payment Rate
300 - 50,000 euro	5%
50,000 - 200,000 euro	3%
200,000 - 350,000 euro	1%
350,000 - 500,000 euro	0.5%
over 500,000 euro	0.25%

The royalty fee covering the Artist's Resale Right cannot exceed EUR 12,500 (excluding VAT) for each item. The fee must be paid in Danish kroner, and the conversion rate (EUR/DKK) is set by VISDA.

7.1.5 Debit/Credit Card Fee: Amounts Added to the Hammer Price: BRK reserves the right to charge the debit/credit card fees imposed by the payment services companies. The rates will appear when bidding on bruun-rasmussen.dk and at payment.

8 PAYMENT DEADLINE

8.1 The purchase price falls due after the hammer price has been determined, and then the buyer has eight days to pay BRK the purchase price.

9 PAYMENT METHODS

9.1 The payment can be made in the following ways:

A: With debit/credit card (Dankort, Visa, MasterCard,

10 VAT EXEMPTION, PAYMENT & DEPOSIT

10.1 Some buyers can choose which type of VAT should apply to the transaction. The choice has to be communicated to BRK no later than two working days after the purchase and cannot be changed subsequently.

A: Businesses in Denmark registered for VAT can decide that the transaction is to be conducted in accordance with the rules for full VAT, see paragraph 7.1.3.

B: Businesses registered for VAT in another EU Member State can be exempted from paying Danish VAT if it can be proved that the item has been transported to the foreign address that the buyer has registered with BRK and which is written on the invoice. In such cases, the VAT should be settled according to the rules applicable in the country where the buyer is registered for VAT. It is advisable to consult with the local authorities. The buyer can decide not to be exempt from regular VAT and instead pay Danish VAT on second-hand goods/full VAT.

C: Buyers residing outside the EU can be exempted from Danish VAT if it can be proved that the item has been transported out of the EU. To the extent possible and for a fee, BRK can issue the necessary export documents for the customs authorities. The buyer may decide not to be exempt from regular VAT and instead pay Danish VAT on second-hand goods/full VAT.

10.2 Companies registered for VAT in another EU Member State and buyers residing outside the EU must deposit the Danish VAT on the amount invoiced with BRK until the export process has been completed in a documented, lawful fashion. If the export is undertaken by one of BRK's authorized forwarding agents, the VAT does not have to be deposited. See the list of authorized forwarding agents on bruun-rasmussen.dk.

11 OVERDUE PAYMENTS

11.1 If payment is made after a deadline, including the deadline specified in paragraph 8, interest on overdue payments will be charged and estimated in accordance with the Danish Central Bank's official lending rate + 8% per year on the amount due.

11.2 If the purchase price, including interest, has still not been paid ten days after the demand for payment has been made, BRK is entitled to seek the purchase price paid by making a set-off against the deposit/by drawing on the bank guarantee or to cancel the purchase.

11.3 If the purchase is cancelled, BRK is entitled to sell the item at a new auction and demand the costs and any difference between the new and the earlier hammer price (including the buyer's premium) covered by the defaulting buyer.

11.4 In addition to debt collection, BRK may seek recovery of all due claims (including costs) not paid in a timely manner in the following ways:

A: Making the buyer cover the costs of selling items consigned to auction by or on behalf of the buyer. The sale can be conducted without regard to an agreed reserve price. Items consigned for auction cannot be collected as long as overdue debts are unpaid.

B: Seizing the buyer's remaining balance with BRK, including the balance from the sale of items consigned by or on behalf of the buyer, regardless of whether such receivables derive from auction sales prior to or after the date of the buyer's default on the payment.

12 PICK-UP & COLLECTION

- 12.1 The title to a purchased item passes to the buyer when the full purchase price, including any interest and fees, has been paid, and only then can the collection of an item take place.
- 12.2 In connection with the collection of a purchased item, BRK reserves the right to demand satisfactory documentation that the person who wants to pick up the item is either the buyer himself/herself or authorized by the buyer to receive the item on his/her behalf.
- 12.3 The collection of certain weapons requires presentation of a valid weapons certificate. Items with such requirements are listed with the text: "The purchase of this item requires the presentation of a valid weapons certificate" in the catalogue and on bruun-rasmussen.dk.
- 12.4 Purchased items are stored after the auction at the buyer's expense and risk. Pick-up must take place no later than eight working days after the last auction day.
- 12.5 If the item(s) is/are not picked up on time, the purchased items will be transported to a warehouse at the buyer's risk and expense. The transport costs are DKK 150 including VAT per item and the storage costs are DKK 150 including VAT per item for each week or part of a week. If an item is left unclaimed for an amount of time that results in the storage costs exceeding the value of the item, BRK will be entitled to, at the buyer's expense and risk and without regard to the reserve price, sell the item at an auction or privately. The buyer is still liable for the costs of transportation and storage not covered by such sale.

13 SHIPPING

- 13.1 If the buyer is unable to pick up the purchased item, BRK offers to pack and arrange delivery either by mail or by freight forwarder at the buyer's risk and expense. See paragraph 12.2 regarding identification.

14 EXPORT LICENSE

- 14.1 To ensure that Danish cultural heritage of vital importance remains in Denmark, the Danish Cultural Assets Commission can place an export ban on certain items. If the buyer wishes to export an item that is subject to an export ban in Denmark, the purchase will be cancelled and the Danish Cultural Assets Commission is obliged to acquire ownership of the item for the price obtained at auction. The buyer cannot raise any claims against BRK as a result of an export ban.
- 14.2 Certain items are included in the Washington Convention, also known as CITES. The purpose of CITES is to stop the trade of items made with endangered species and flora. If the item is included in the Washington Convention, CITES, Appendix 1, this will appear in the description of the item on bruun-rasmussen.dk and be marked with the symbol "©" in the catalogue. The following rules are applicable:
 - A: Items that are included in the Washington Convention, CITES, Appendix 1, can only be traded when a dispensation in the form of a CITES certificate has been obtained. BRK obtains the required certificate from the Danish Nature Agency that allows trade and export to countries within the EU. Items that were produced before 1947 can, however, be freely traded within the EU without a certificate.
 - B: It is only items included in the Washington Convention, CITES, Appendix 1 that are marked individually on bruun-rasmussen.dk and in our catalogue. Items included in the Washington Convention, CITES, Appendix 2, which can be freely sold and transported within the EU, are not individually marked.
 - C: Export to countries outside the EU must, regardless of the year of the item's production, always procure a CITES re-export permit from the Danish Nature Agency if the item is included in the Washington Convention, Appendix 1 and 2. This export permit can usually be obtained without problems, if the item is either sold with a CITES certificate or was made prior to 1947. Appendix 2 items usually also receive a re-export permit without problems.

D: In connection with export to other countries outside the EU, special rules may apply concerning the subsequent import, and the buyer is encouraged to consult the relevant local authorities about this issue.

15 DEFECTS IN THE PURCHASED ITEMS

- 15.1 The lack of conformity rules of the Danish Sale of Goods Act may apply. Below is a non-exhaustive excerpt of the buyer's remedies in regard to lack of conformity.
- 15.2 The buyer is entitled to cancel a purchase if the description contained significant errors that have led to a higher hammer price than a correct description would have resulted in. In such cases, the total purchase price will be refunded. The buyer cannot demand payment of interest on the purchase price or demand payment of any other expenses or losses.
- 15.3 A purchase cannot be cancelled and the buyer cannot demand a refund of the purchase price or raise any other claims against BRK if the description of the item is in compliance with paragraph 15.2. The same applies if evidence of forgery has required the use of scientific methods that were either not available at the time of sale, were excessively costly to use or led to the damage of the item in question.
- 15.4 Claims for a cancellation of a purchase must be notified to BRK when the buyer has discovered the fact that entitles the buyer to cancel the purchase. This notice, however, has to be given no later than two years after the final pick-up date according to paragraph 12.4. The item purchased must be returned to BRK in the same condition as it was on the day it was sold at auction. If these conditions are not met, the buyer loses the right to cancel the purchase and cannot claim a refund of the purchase price. The buyer is responsible for paying the costs associated with the return of the item.

16 OBJECTIONS & LIMITATIONS OF LIABILITY

- 16.1 BRK is aware that errors, technical difficulties and external abuse or disruptive influences may occur during the auction. Bidders cannot raise any claims against BRK as a result of such events.
- 16.2 The buyer is always responsible for the correct payment of VAT and other costs, fees etc. in accordance with Danish and foreign regulations.
- 16.3 Unless otherwise stated in these conditions of purchase, BRK may never be held liable for bidders'/buyers' operating loss, loss of profits, other indirect losses or consequential loss.

17 PRIVACY POLICY

- 17.1 It is important to BRK to ensure confidentiality and security regarding the bidder's/buyer's personal information. The privacy policy can be found on bruun-rasmussen.dk.

18 COMPLAINTS, DISPUTE RESOLUTION AND APPLICABLE LAW

- 18.1 BRK can always be contacted if the bidder/buyer has a complaint.
- 18.2 If the bidder/buyer is a consumer and a solution cannot be found, a complaint can be submitted to the Complaint Resolution Centre, Nævnenes Hus, Toldboden 2, 8800 Viborg, Denmark, if the conditions for such a complaint are met. The bidder/buyer can complain to the Complaint Resolution Centre on forbrug.dk.
- 18.3 In Denmark, disputes must be brought before the City Court of Copenhagen, but see paragraphs 18.2. The mandatory rules on jurisdiction apply to consumer interests.

Jesper Bruun Rasmussen, Auctioneer

The above is an English translation of the Danish version of the Conditions of Purchase. In case of a dispute, only the Danish version of the present Conditions of Purchase of Bruun Rasmussen is valid.

COMMISSION BIDS

KOMMISSIONSBUD

It is possible to leave commission bids if you can not be present at the auction yourself. This service is free of charge.

When leaving a commission bid, you are instructing our customer service to bid up to a specified amount on your behalf.

The situation can occur that another buyer has already bid the same as you were prepared to. Are you then willing to bid further? If not the lot will be sold to another buyer.

If you do not wish to exceed your bid then write "Max", for maximum, next to the amount. You can also allow us to raise your bid by approx. 15% or approx. 25%.

The hammer price may be higher or lower than the estimated price, so it is possible to buy below the estimate. Bruun Rasmussen will always buy at the lowest price possible, as if you yourself had been present at the auction.

All commission bids are strictly confidential.

Commission bids must be submitted no later than **24 hours** prior to the start of the auction.

HOW TO MAKE A COMMISSION BID:

Complete the commission form with all pertinent information.

Indicate the lot number.

Indicate the amount you are prepared to bid.

Should this amount be the absolute maximum, please write "Max" in the appropriate column.

You can also allow us to bid by up to approx. 15% or approx. 25% more by indicating so.

Sign the commission form and make sure that Bruun Rasmussen receives it **24 hours** prior to the start of the auction.

If the information should be insufficient, Bruun Rasmussen can abstain from bidding. Bruun Rasmussen can not be held responsible for error in bidding or failure to execute bids.

INTERNET:

Commission bids can be submitted via website bruun-rasmussen.dk directly from the page with the item you want to submit a bid for.

Deadline for submissions of bids via the website is **3 hours** prior to the start of the auction.

Submitted bids are shown under "Your bids" when you are logged in. Please contact technical support on +45 8818 1114 for questions about the registration and submission of bids on the website.

For additional information, please consult "Conditions of Purchase" §1.

TELEPHONE BIDDING:

Should you wish to bid at auction by telephone, please inform Bruun Rasmussen of your name and telephone number, as well as which catalogue numbers you are interested in, no later than **3 hours** prior to the start of the auction. You will then be contacted shortly before the relevant lot comes under the hammer, thereby allowing you to participate without being in the auction room yourself.

For additional information, please consult "Conditions of Purchase" §1.

Det er muligt at afgive kommissionsbud, hvis De ikke selv kan være til stede på auktionens dag. Denne service er gratis.

Når De afgiver en kommission, beder De vores kundeservice på Deres vegne byde op til et af Dem bestemt beløb i hammerslag.

Der kan opstå den situation, at en anden køber allerede har budt det beløb, som De ønsker at afgive. Er De da villig til at gå et bud højere eller er De indforstået med at nummeret sælges til anden side?

Ønsker De ikke at byde højere så skriv "Max" ud for beløbet. Er De i tvivl om hvor højt De vil byde, kan De hæve budet med op til ca. 15% eller ca. 25%.

Salgsprisen kan blive højere eller lavere end vurderingen, så der er også mulighed for at købe til under den angivne vurdering. Vor kundeservice køber altid så billigt som muligt til Dem, som havde De selv været tilstede på auktionen.

Alle kommissioner behandles strengt fortroligt.

Kommissionsbud skal være Bruun Rasmussen i hænde senest **24 timer** før auktionens start.

SÅDAN BYDER DE:

Udfyld blanketten kommissionsbud med alle oplysninger.

Angiv katalognummer.

Angiv beløbet De ønsker at byde.

Er dette Deres absolutte maximum bedes De anføre "Max" i kolonnen.

De kan også forhøje Deres bud med henholdsvis ca. 15% eller ca. 25%, ved at indikere dette i kolonnen.

De bedes underskrive kommissionsblanketten og sikre Dem, at Bruun Rasmussen modtager den senest **24 timer** før auktionens start.

Hvis Deres oplysninger ikke er tilstrækkelige, kan Bruun Rasmussen undlade at byde for Dem, ligesom Bruun Rasmussen ikke kan gøres ansvarlig for fejl ved budgivning.

INTERNET:

Kommissionsbud kan afgives på hjemmesiden bruun-rasmussen.dk direkte fra siden med den effekt, De ønsker at byde på.

Seneste afgivelse af bud via hjemmesiden er **3 timer** før auktionens start.

Afgivne bud kan ses på hjemmesiden under "Deres bud", når de er logget ind. Kontakt teknisk support på 8818 1114 for spørgsmål om registrering og budgivning via internettet.

For yderligere information, se "Købskonditioner", §1.

TELEFONBUD:

Såfremt De ønsker at byde pr. telefon, bedes De oplyse Bruun Rasmussen Deres navn og telefonnummer samt hvilke katalognumre, De ønsker at byde på, senest **3 timer** før auktionens start. De vil så blive ringet op kort før, den aktuelle vare kommer under hammeren, og De kan på denne måde deltage i auktionen uden selv at være til stede.

For yderligere information, se "Købskonditioner" på bruun-rasmussen.dk under "Guide".

Bruun Rasmussen **LIVE**

– bid wherever you are!

Experience the atmosphere of the auction room

If you are unable to attend the traditional auctions in person, you can follow an auction in progress and experience the atmosphere in the auction room via live streaming – just as if you were there.

Bid via Bruun Rasmussen Live

When the auction begins, you will be able to see the link “Live: Watch auction” at bruun-rasmussen.dk, from where you can follow the auctioneer during the auction.

If you wish to submit a bid, simply log in first.

What to do:

- Click on the “Live: Watch auction” link
- Log in
- Submit your bid

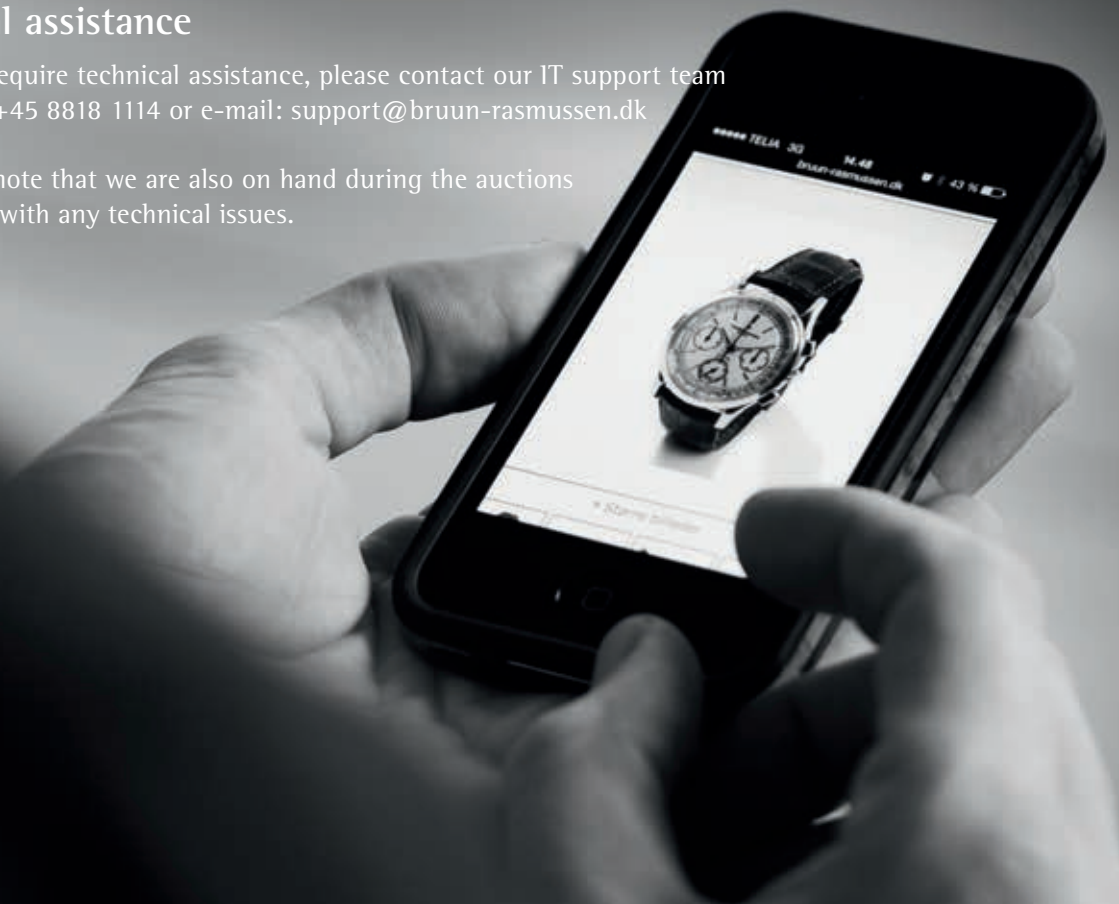

The bidding process

Your bid will be treated in the same way as the bids submitted by those present in the room. If your bid is successful, you will be required to pay the standard costs which apply to all purchases from Bruun Rasmussen according to the conditions of purchase. Bruun Rasmussen accepts no liability for bids lost as a result of technical problems.

Technical assistance

If you require technical assistance, please contact our IT support team on tel. +45 8818 1114 or e-mail: support@bruun-rasmussen.dk

Please note that we are also on hand during the auctions to deal with any technical issues.
