Griegst

## ARJE GRIEGST

Arje Griegst (1938–2016) was a Danish goldsmith and artist celebrated for his sculptural, imaginative approach to jewellery and decorative art. He founded the Griegst brand in 1963 in Copenhagen, bringing a unique style that combined elements of Baroque, Art Nouveau, and organic forms.

His work in fine jewellery was often created by using the characteristic casting technique "cire perdue" (lost wax) to achieve fluid, freeform shapes that gave a sense of motion, flexibility and sensuality to materials like gold and gemstones. The metal is poured into a casting plaster mold made from a wax model. The first time he used this technique was in the making of his very first collection for Georg Jensen. The ring, "Oriental Night", made in gold and adorned with diamonds, moonstone, sapphires, opal and pearls, was one of the 20 rings Griegst made in Paris in 1964. They were exhibited at the Danish House in Paris and in Charlottenborg in Copenhagen. These pieces were a stark contrast to the minimalist, modernist style which had been highly popular in Scandinavia in the 1950's.

Faces appear throughout Arje Griegst's work, both his jewellery and other mediums. Some-

times they are mask-like and at other times more naturalistic, and he has even made self-portraits. The faces that are cut into gemstones are hand carved by Griegst himself. An example of one of these faces can be seen in the piece "The Dream", circa 1988, which we are very proud to present in our catalogue. It is an unique opal, lapis lazuli, pearl and diamond necklace which was inspired by Ovid's poem *Metamorphoses*, in which plants, animals and stones undergo transformations. The Greek myths and the story about Orpheus, the musician who visits the underworld, was one of Griegst's favourite sources of inspiration.

This exact piece is featured on the cover of the biography "Arje Griegst: Guldsmid, designer og billedhugger" by Kerstin Wickman from 2013 as it is one of his most quintessential pieces of art made by Griegst.

Beyond jewellery, Griegst created tableware, glassware, and sculptures. Notable works include his Triton tableware for Royal Copenhagen and the Xanadu glass collection for Holmegaard.

He received numerous awards for his work, which has been showcased in museums around the world.

*In the early 1900s, the wristwatch was not yet in fashion. However, as WWI came, soldiers started strapping their pocket watches onto their wrists and thighs for swift reading of the time. As soldiers were looked up to by the general public, civilians slowly started demanding wristwatches from the Swiss watchmaking companies. The earliest were merely small pocket watches with wires soldered onto the case. But they quickly evolved into a category of their own.*

*This particular watch was made around the end of WWI and is thus an incredibly early example of a wristwatch. The silver dial has a beautifully aged warmth to it as well as the most incredible enamel numerals. The combination of silver and blue enamel is striking. The elongated case shape of the watch makes the piece appear just as much as a piece of elegant jewelry as it does a watch. Although made more than 100 years ago, it seems unquestionably modern.*

*Provenance:  
The watch was bought around 1920 by Knud Nielsen. Nielsen was a successful engineer and businessman, who amongst others was the CEO of Preussen Elektra. Interestingly, Nielsen also won the Danish championship in cycling the one-mile distance (approx. 7.4 km) on June 6, 1897. He crossed the line after just 12 minutes and 25 seconds.*

*When Nielsen passed away, the watch was given to his daughter - hence the engraving (31/5 - 1938) on the bracelet. The watch was then handed down to her son, who has chosen to part with it.*

*Released in 2012, the latest Rolex series, Sky-Dweller, is the most complicated Rolex to date. The Sky-Dweller collection spans a wide range of models, including models in white gold and gold, as well as steel and gold combinations. The watch is also available with the Rolex Oysterflex rubber strap. Our catalogue features the timepiece in both steel and gold, steel, and 18 K gold.*

*The watch houses Rolex's calibre 9001, a self-winding mechanical movement developed and manufactured in-house by Rolex. It was introduced in 2012, alongside the Sky-Dweller, for which the movement was specifically designed. The most complicated movement Rolex has ever produced, calibre 9001 is known for its complexity and precision. It has a built-in annual calendar that automatically distinguishes between days of the given month, as well as a "dual-time zone function" that enables its wearer to keep track of two time zones simultaneously. As with all Rolex watches, the movement is COSC certified, which means it has been tested and approved for its precision as a chronometer.*

*Delve into the world of Omega chronograph watches beyond the popular Speedmaster and one will uncover an intriguing collection of earlier and more elusive timepieces. Prior to the well-known calibre 321, Omega's most esteemed chronograph movement was known as the calibre 33.3, also manufactured by Lemania. Produced between 1933 and 1952, these beautiful timepieces numbered approximately 14.000 in total. The example seen here includes a black gilt dial displaying a timeless elegance, a remarkable example of the functional design language prevalent in the early 1940s. Notably, the dial also features the inscription "fab. Suisse", indicative of its unique history. Omega watches bearing this signature were exclusively made for the French market, lending them an added air of rarity and distinction.*

*Items made of crocodile or alligator skin require a CITES export permit in order to be exported from Denmark to a country outside The European Union. Buyers residing outside the European Union are required to obtain this permit. More information is available upon request.*

*Limited edition. This watch bears no. 179/200.*

*To watch collectors, there is quite a difference between Panerai before and after they were acquired by Vendôme (now Richemont). The early models are much more sought after for various reasons. Firstly, the quantities of the different models are much smaller. Some were made in less than 100 examples, and few were made in more than 1000 examples. Secondly, the design language was more utilitarian, simple and military-inspired. This speaks directly to their heritage and connection with the Italian frogmen in the 1940s. Lastly, the quality is simply better. This does however not mean that newer Panerai watches are not interesting – they are just different and thus speak to a different clientele.*

755

*We are happy to offer four Panerai watches on this auction – one pre-Vendôme watch and three newer ones – one of which is made just after the acquisition. The most interesting of the four is the earliest one. The Marina Militare from approx. 1993–94 is as Panerai as it gets. This particular one, the ref. 5218-202/A, was made in just 140 examples and features a no-fuzz dial layout with tritium hour markers and hands. Moreover, it features a manually wound movement and water resistance to 300 metres.*

*The Marina Militare ref. PAM 36B in titanium was sold in 1998 – just one year after Panerai was sold. When compared to the one in steel discussed above, this watch is different in a few ways. It features a clear caseback, allowing the owner to inspect the movement. Secondly, it has a second hand at the 9 o'clock position on the dial. What is really interesting about this piece is the amount of accessories that comes with the watch: box, manual, an additional hand-set, extra strap, COSC certificate, Panerai certificate, warranty card and service papers from Panerai 2020. Moreover, the watch was made in a limited series of just 200 pieces, with this exact one being no. 179/200.*

# FASHION

Wednesday 4 and 11 December

Online Auction at [bruun-rasmussen.dk](http://bruun-rasmussen.dk)

Disse købsvilkår udgør Bruun Rasmussen Kunstauktioner A/S' ("BRK") købsvilkår for Liveauktioner og er gældende fra 1. februar 2017.

BRK kan til enhver tid ændre købsvilkårene.

Ved bud accepterer budgiver/køber at være bundet af de til enhver tid gældende købsvilkår, som fremgår på [bruun-rasmussen.dk](http://bruun-rasmussen.dk). Købsvilkårene gælder både i forhold til erhvervsdrivende og forbrugere.

## FØR AUKTIONEN

### 1 VURDERING AF GENSTANDE

1.1 Alle udbudte genstande er vurderet af BRK. Vurderingen er et skøn over det forventede hammerslag, jf. punkt 5.3. Vurderingen er baseret på tidligere salg af samme type genstande og erfaringer hos BRK. Hammerslag kan derfor falde højere eller lavere ud end vurderingen.

### 2 BESKRIVELSE AF GENSTANDE

2.1 Udbudte genstande præsenteres med fotos og beskrivelse i kataloger og på [bruun-rasmussen.dk](http://bruun-rasmussen.dk). Beskrivelsen foretages efter bedste overbevisning af BRK og ud fra en nøje undersøgelse efter den på salgstidspunktet herskende opfattelse blandt eksperter.

2.2 De udbudte genstande er af en alder og art, der bevirker, at de ofte er behæftede med slitage, mangler, beskadigelser og reparationer. Som udgangspunkt sælges alt som brugte genstande, og derfor indeholder beskrivelsen i kataloget og på [bruun-rasmussen.dk](http://bruun-rasmussen.dk) ikke en redegørelse for ovenstående punkter eller genstandens stand.

2.3 I visse tilfælde vælger BRK at beskrive en genstands oprindelse. Det sker, hvis en tidligere ejer er offentlig kendt, og/eller hvis historien om et tidligere ejerskab belyser genstanden og dens art. Omvendt sker det også, at sådanne informationer udelades fra beskrivelsen, f.eks. for at imødekomme sælgers ønske om diskretion.

2.4 Vurderingen og beskrivelsen kan blive revideret forud for auktionen. Ændringer offentliggøres på [bruun-rasmussen.dk](http://bruun-rasmussen.dk)

### 3 EFTERSYN

3.1 Udbudte genstande udstilles op til auktionen i et show-room hos BRK. Potentielle budgivere opfordres til at se genstanden efter i detaljer og har selv ansvaret for at forvise sig om dens stand på disse eftersyn, hvor der også er mulighed for at rådføre sig hos vurderingssagkyndige.

3.2 Hvis en potentiel køber ikke har mulighed for at besigtige genstanden ved selvsyn, kan der i de fleste tilfælde udfærdiges en konditionsrapport. Beskrivelsen heri er foretaget efter BRK's bedste overbevisning, men er ikke baseret på videnskabelige undersøgelser. En konditionsrapport tjener blot som identifikation og er ment som en hjælp til budgivere, der ikke selv har mulighed for at besigtige genstanden på eftersynet.

## UNDER AUKTIONEN

### 4 BRK'S ROLLE

- Salget af en genstand formidles af BRK på vegne af sælger. BRK afhænder altid udbudte genstande til den højst mulige pris under budgivningen.
- Udbudte genstande kan have en med sælger aftalt mindstepris, hvorunder den ikke kan sælges. Denne pris er fortrolig.
- Liveauktioner overværes af en af Justitsministeriets beskikket auktionsleder, der sikrer, at auktionerne går retmæssigt for sig.

### 5 BUDGIVNING

- Auktionerne afvikles i danske kroner. De tilnærmelsesvis beløb i euro/US dollar vil blive oplyst på skærme i auktionssalen og i øvrigt på opfordring.
- Auktionarius bestemmer overbuds størrelse og i hvilket tempo, auktionen afvikles. Overbud stiger normalt med 5% - 10% i forhold til det foregående bud. Normalt sælges der 50-100 katalognumre i timen.
- Hammerslag betegner både det forhold, at auktionarius slår med hammeren og derved markerer budgivningens afslutning, og den pris (budsum), den udbudte genstand sælges til. Se punkt 7 vedrørende beløb, der tillægges hammerslaget.
- Køber er den budgiver, der opnår hammerslag. Ved hammerslaget indgås på baggrund af disse købsvilkår en bindende købs-/salgsaftale.
- Bydes på andres vegne, hæfter budgiver som selvskyldnerkautionist for handlen.
- Genstande købes som beset, og køber har uanset budtype ingen fortrydelsesret, heller ikke efter forbrugeraftaleloven.
- Budgiver skal efter anvisninger fra BRK identificere sig og dokumentere sin betalingsdygtighed, f.eks. ved registrering af gyldigt betalings-/kreditkort, bankgaranti eller indbetaling af depositum.
- BRK kan nægte at acceptere et bud, hvis en tilstrækkelig sikkerhed for betaling mangler, eller hvis budgiver tidligere har misligholdt betalingsforpligtigelser ved køb hos BRK.
- Auktionslederen træffer i samråd med auktionarius afgørelse i alle tvivlstilfælde omkring budgivningen.

### 6 BUDTYPER

- Der er følgende muligheder for at afgive bud:  
**PERSONLIGT FREMMØDE:**  
 Registrering og udlevering af bydeskilt foregår ved indgangen til auktionssalen. Når budgiver ønsker at byde, signaleres dette til auktionarius ved at række bydeskiltet i vejret og tydeligt fremvise dets nummer.  
**KOMMISSIONSBUD:**  
 Det ønskede maksimale bud kan afgives via [bruun-rasmussen.dk](http://bruun-rasmussen.dk) frem til auktionens start eller pr. e-mail, fax eller telefon, så budet er modtaget senest 24 timer forud for auktionens start. En kommissionær byder på budgivers vegne inden for rammerne af det ønskede maksimalbud og vil altid afgive lavest muligt overbud.  
**TELEFONBUD:**  
 I forhold til visse genstande er der mulighed for at blive ringet op af en medarbejder fra BRK, der vil byde på budgivers vegne under auktionen. Servicen kan bestilles via [bruun-rasmussen.dk](http://bruun-rasmussen.dk) indtil tre timer før auktionens start.

### LIVE BIDDING:

Det er muligt at følge auktionen live og byde med via [bruun-rasmussen.dk](http://bruun-rasmussen.dk)

### FORAUKTION:

Visse Liveauktioner indledes med en Onlineauktion. De højeste bud på Onlineauktionen danner udgangspunktet på den efterfølgende Liveauktion.

## EFTER AUKTIONEN

### 7 BELØB, DER TILLÆGGES HAMMERSLAGET

- I tillæg til hammerslaget, jf. punkt 5.3, skal køber for den enkelte genstand betale købersalær og, hvis betingelserne er opfyldt, de øvrige beløb, der er nærmere beskrevet nedenfor. Det samlede beløb, som køber skal betale til BRK, benævnes "købesummen".  
 7.1.1 Købersalær: Hammerslaget tillægges et salær til BRK. På Liveauktioner udgør salæret 25,6% af hammerslaget + moms af salæret, i alt 32%. For frimærker og mønter udgørsalæret 20% af hammerslaget + moms af salæret, i alt 25%.  
 7.1.2 "LIVE bidding": BRK's "LIVE bidding"-software via [bruun-rasmussen.dk](http://bruun-rasmussen.dk) er gratis at benytte for budgivere.  
 7.1.3 Fuldmoms: Visse genstande handles efter de gældende regler om fuldmoms. Her beregnes der moms på 25% af både hammerslag og salær. Disse genstande er i beskrivelsen i kataloget og på [bruun-rasmussen.dk](http://bruun-rasmussen.dk) mærket med symbolet "\*" eller med teksten: "Dette emne handles i fuldmoms".  
 7.1.4 Kunstnerafgift: Ifølge dansk lovgivning om ophavsret skal der opkræves kunstnerafgift (følgeretsvederlag) for værker af nyere danske og visse udenlandske kunstnere, som enten er nulevende eller ikke har været døde i mere end 70 år. Kunstnerafgiften opkræves på vegne af VISDA. Disse værker er i kataloget mærket med "ARR" (Artist's Resale Right) og på [bruun-rasmussen.dk](http://bruun-rasmussen.dk) med teksten "Dette emne er belagt med kunstnerafgift". Kunstnerafgiften tillægges hele hammerslaget + salær (ekskl. moms), når beløbet overstiger 300 euro, som angivet nedenfor:

Hammerslag + salær (ekskl. moms)	Betalingsssats
300,01 - 50.000 euro	5%
50.000,01 - 200.000 euro	3%
200.000,01 - 350.000 euro	1%
350.000,01 - 500.000 euro	0.5%
over 500.000 euro	0.25%

Kunstnerafgiften kan ikke overstige 12.500 euro (ekskl. moms) for den enkelte genstand. Afgiften skal betales i danske kroner, og omregningskursen (EUR/DKK) fastsættes af VISDA.

- Betalings-/kreditkortgebyr: BRK forbeholder sig ret til at opkræve de af indløsningselskaberne pålagte betalings-/kreditkortgebyrer. Satserne fremgår ved budgivning via [bruun-rasmussen.dk](http://bruun-rasmussen.dk) og ved betaling.

### 8 BETALINGSFRIST

- Købesummen forfalder til betaling ved hammerslaget, og køber har herefter otte dage til at betale købesummen til BRK.

### 9 BETALINGSMÅDER

- Betaling kan ske på følgende måder:  
 A: Med betalings-/kreditkort (Dankort, Visa, MasterCard, Maestro, Diners Club, JCB og China UnionPay) eller kontant (op til 14.999 kr.) i auktionssalen eller efterfølgende i en afdeling hos BRK. Bemærk, at vi ikke modtager 500-eurosedler.

B: Med betalings-/kreditkort (Dankort, Visa, MasterCard, Maestro, Diners Club og JCB) på [bruun-rasmussen.dk](http://bruun-rasmussen.dk) under købers personlige side.

C: Via bankoverførsel til BRK's konto i Danske Bank: 4183 4310970638 · Swift/BIC: DABADKXX · IBAN: DK4130004310970638.

## 10 MOMSFRITAGELSE, -BETALING OG -DEPONERING

10.1 Visse købere kan vælge hvilken momstype, der skal være gældende for handlen. Valget skal meddeles BRK senest to hverdage efter købet og kan ikke omgøres.

A: Momsregistrerede virksomheder i Danmark kan vælge, at handlen skal ske efter reglerne om fuldmoms, jf. punkt 7.1.3.

B: Momsregistrerede virksomheder i et andet EU-land kan fritages for dansk moms, når det kan dokumenteres, at genstanden er transporteret til den udenlandske adresse, som køber har oplyst over for BRK, og som er anført på fakturaen. I sådanne tilfælde skal der afregnes moms efter de gældende regler i det land, hvor køber er momsregistreret. Det tilrådes at søge oplysning hos de lokale myndigheder. Køber kan undlade at gøre brug af muligheden for momsfrigtagelse og i stedet betale dansk brugtmoms/fuldmoms.

C: Købere med bopæl uden for EU kan fritages for dansk moms, når det kan dokumenteres, at genstanden er transporteret ud af EU. BRK udsteder så vidt muligt og mod gebyr de fornødne eksportpapirer, som skal fremvises ved toldmyndighederne. Køber kan undlade at gøre brug af muligheden for momsfrigtagelse og i stedet betale dansk brugtmoms/fuldmoms.

10.2 Momsregistrerede virksomheder i et andet EU-land og købere med bopæl uden for EU skal deponere den danske moms af fakturabeløbet hos BRK, indtil eksporten er gennemført på dokumenteret lovligt vis. Foretages eksporten af en af BRK godkendt speditor, skal momsens ikke deponeres. Se listen over godkendte speditorer på [bruun-rasmussen.dk](http://bruun-rasmussen.dk)

## 11 OVERSKRIDELSE AF BETALINGSFRIST

11.1 Overskrides en betalingsfrist, herunder fristen i punkt 8, opkræves morarenter, som beregnes efter Nationalbankens officielle udlånsrente + 8% om året af det skyldige beløb.

11.2 Betales købesummen inkl. renter ikke senest ti dage efter, at der er fremsat påkrav herom, er BRK berettiget til at søge købesummen betalt ved modregning i depositum/ved træk på bankgaranti eller at hæve købet.

11.3 Hæves købet, er BRK berettiget til at sælge genstanden på en ny auktion og kræve omkostningerne og en eventuel difference mellem hammerslag (samt salær), der er opnået på de to auktioner, betalt af den misligholdende køber.

11.4 Alle forfaldne krav (inkl. omkostninger), som ikke betales rettidigt, kan BRK i tillæg til inkasso søge inddrevet på følgende måder:

A: For købers regning sælge genstande indleveret til auktion af eller på vegne af køber. Salget kan gennemføres uden hensyntagen til en aftalt mindstepris. Genstande indleveret til auktion kan ikke kræves udleveret, så længe forfalden gæld henstår ubetalt.

B: Inddrage købers tilgodehavende hos BRK, herunder tilgodehavende fra salg af genstande indleveret af eller på vegne af køber, uanset om et sådant tilgodehavende stammer fra auktionssalg, som ligger forud for eller efter tidspunktet for købers misligholdelse.

## 12 AFHENTNING OG UDLEVERING

- 12.1 Ejendomsretten til en købt genstand overgår til køber, når hele købesummen inkl. eventuelle renter og gebyrer er betalt, og først herefter kan udlevering af genstanden finde sted.
- 12.2 Ved udlevering af en købt genstand forbeholder BRK sig retten til at kræve tilfredsstillende dokumentation for, at den person, som ønsker genstanden udleveret, enten selv er køberen eller er bemyndiget af køberen til at få genstanden udleveret.
- 12.3 Udlevering af visse våben kræver forevisning af gyldig våbentilladelse. Sådant krav er angivet med teksten "Køb af dette emne kræver forevisning af gyldig våbentilladelse" i kataloget og på [bruun-rasmussen.dk](http://bruun-rasmussen.dk)
- 12.4 Købte genstande henligger fra hammerslaget for købers regning og risiko. Afhentning skal ske senest otte hverdage efter sidste auktionsdag.
- 12.5 Foretages afhentningen ikke rettidigt, transporteres de købte genstande til et lager for købers regning og risiko. Transporten koster 150 kr. inkl. moms pr. genstand, og opbevaringen koster 150 kr. inkl. moms pr. genstand pr. påbegyndt uge. Henligger en genstand uafhængt i så lang tid, at lagerlejen overstiger genstandens værdi, er BRK berettiget til for købers regning og risiko og uden hensyn til mindstepris at bortauktionere genstanden eller sælge den underhånden. Køber hæfter til transport og lagerleje, der ikke dækkes ved sådant salg.
- 12.6 I henhold til gældende hvidvasklovgivning skal køber i visse tilfælde udlevere identitetsoplysninger og fremvise billed-id til BRK, før køber kan få den købte genstand i sin besiddelse

## 13 FORSENDELSE

- 13.1 Er køber forhindret i selv at afhente en genstand, tilbyder BRK for købers regning og risiko at emballere og arrangere forsendelse enten med post eller speditør. Se punkt 12.2 angående legitimation.

## 14 EKSPORTTILLADELSE

- 14.1 For at sikre at dansk kulturarv af afgørende betydning forbliver i Danmark, kan Kulturværtdiudvalget for visse genstandes vedkommende nedlægge eksportforbud. Hvis køber ønsker at eksportere en genstand ud af Danmark, hvor der er nedlagt et eksportforbud, annulleres købet, og Kulturværtdiudvalget er forpligtet til at overtage genstanden til den pris, der blev opnået på auktionen. Køber kan ikke rejse krav mod BRK som følge af, at et eksportforbud bliver nedlagt.
- 14.2 Visse genstande er omfattet af Washingtonkonventionen, også kendt som CITES, der har til formål at stoppe ulovlig handel med genstande fremstillet af udryddelsestruede vilde dyr og planter. Såfremt en genstand er omfattet af Washingtonkonventionen, CITES, liste 1, vil det fremgå af beskrivelsen på [bruun-rasmussen.dk](http://bruun-rasmussen.dk) og være markeret med symbolet "©" i kataloget. Følgende regler gør sig gældende:
  - A: Genstande omfattet af Washingtonkonventionen, CITES, liste 1, må kun handles, når der foreligger en dispensation i form af et såkaldt CITES-salgscertifikat. BRK indhenter det fornødne certifikat fra Naturstyrelsen, der tillader handel og eksport til lande inden for EU. Dog kan genstande, som er færdigforarbejdet før 1947, frit handles inden for EU uden et certifikat.
  - B: Det er alene genstande omfattet af Washingtonkonventionen, CITES, liste 1, som er særskilt markeret på [bruun-rasmussen.dk](http://bruun-rasmussen.dk) og i kataloget. Genstande omfattet af Washingtonkonventionen, CITES, liste 2, der frit kan sælges og transporteres inden for EU, er ikke særskilt markeret.
  - C: Ved eksport til lande uden for EU skal der uanset årstallet for genstandens færdigforarbejdning altid indhentes en CITES-reeksporttilladelse fra Naturstyrelsen,

når genstanden er omfattet af Washingtonkonventionen, CITES, liste 1 og 2. Denne eksporttilladelse kan normalt indhentes problemfrit, når liste 1-genstande enten er solgt med et CITES-salgscertifikat eller er færdigforarbejdet før 1947. Liste 2-genstande opnår ligeledes normalt problemfrit en reeksporttilladelse. Eventuelle omkostninger, der opkræves af de danske myndigheder i forbindelse med udstedelse af en reeksporttilladelse, vil blive pålagt købers faktura.

D: I forbindelse med eksport til lande uden for EU kan særlige regler gøre sig gældende ifm. den efterfølgende import, og køber opfordres til at indhente oplysninger fra egne myndigheder.

## 15 MANGLER VED KØBTE GENSTANDE

- 15.1 Købelovens mangelsregler kan finde anvendelse. Nedenfor er angivet et ikke udtømmende uddrag af købers mangelsbeføjelser.
- 15.2 Køber er berettiget til at annullere et køb, hvis beskrivelsen har været behæftet med væsentlige fejl, der har ført til et højere hammerslag, end en korrekt beskrivelse ville have resulteret i. I sådanne tilfælde vil den samlede købesum blive refunderet. Køber kan ikke kræve betaling af renter af købesummen eller kræve dækning af anden udgift eller tab.
- 15.3 Et køb kan ikke annulleres, og køber kan ikke kræve købesummen refunderet eller rejse noget andet krav mod BRK, hvis beskrivelsen af genstanden er i overensstemmelse med punkt 2, eller hvis en påvisning af falskneri havde krævet brug af videnskabelige metoder, der enten ikke var tilgængelige på salgstidspunktet, havde været uforholdsmæssigt omkostningskrævende at anvende eller havde ført til beskadigelse af den pågældende genstand.
- 15.4 Krav om annullering af et køb skal meddeles BRK, når køber er blevet bekendt med det forhold, der berettiger køber til at annullere købet, dog senest to år fra den seneste afhentningsdato efter punkt 12.4. Den købte genstand skal returneres til BRK i samme stand som på hammerslagstidspunktet. Overholdes disse betingelser ikke, mister køber retten til at annullere købet og kan ikke kræve købesummen refunderet. Køber er selv ansvarlig for at betale de omkostninger, der er forbundet med returnering af genstanden.

## 16 INDSIGELSE- OG ANSVARSBEGRÆNSNING

- 16.1 BRK tager forbehold for fejl, tekniske vanskeligheder samt udefrakommende misbrug eller forstyrrende påvirkning under auktionen. Budgetgivere kan ikke rejse noget krav mod BRK som følge heraf.
- 16.2 Køber er i alle tilfælde selv ansvarlig for korrekt betaling af moms og andre afgifter, gebyrer mv. i overensstemmelse med danske og udenlandske regler.
- 16.3 Medmindre andet fremgår af disse købsvilkår, kan BRK aldrig blive ansvarlig for budgetgivers/købers driftstab, avancetab, andre indirekte tab eller følgeskader.

## 17 PERSONDATAPOLITIK

- 17.1 Det er vigtigt for BRK at sikre fortrolighed og sikkerhed omkring budgetgivers/købers personlige oplysninger. Persondatapolitikken fremgår af [bruun-rasmussen.dk](http://bruun-rasmussen.dk).

## 18 KLAGE, TVISTLØSNING OG LOVVALG

- 18.1 Har budgetgiver/køber en klage, kan der altid rettes henvendelse til BRK.
- 18.2 Lykkes det ikke at finde en løsning, kan forbrugere sende en klage til Nævnenes Hus, Toldboden 2, 8800 Viborg, e-mail: [naevneneshus.dk](mailto:naevneneshus.dk). Forbrugere med bopæl i et andet EU-land end Danmark kan klage til EU-Kommissionens online klageportal via hjemmesiden: <http://ec.europa.eu/odr>.
- 18.3 Tvister skal indbringes i Danmark ved Københavns Byret, jf. dog punkt 18.2. I forbrugerforhold gælder de ufavrige lige værnetingsregler.

Rev. 03.24

## CONDITIONS OF PURCHASE – LIVE AUCTIONS

**These conditions of purchase represent Bruun Rasmussen Kunstauktioner A/S' ("BRK") conditions of purchase for Live Auctions and are effective from 1 January 2017. BRK may modify the conditions of purchase at any time.**

**By bidding, the bidder/buyer accepts the current conditions of purchase as they appear on [bruun-rasmussen.dk](http://bruun-rasmussen.dk). The conditions of purchase are applicable to both business owners and consumers.**

## BEFORE THE AUCTION

### 1 VALUATION OF ITEMS

- 1.1 All the offered items are valued by BRK. The valuation is an estimate based on the expected hammer price, see paragraph 5.3. The estimate is based on the previous sale of similar items as well as BRK's past experience. The hammer price can therefore be higher or lower than the estimated price.

### 2 DESCRIPTION OF ITEMS

- 2.1 Items up for auction are presented with photographs and descriptions in catalogues and on [bruun-rasmussen.dk](http://bruun-rasmussen.dk). The description is worded according to the best of BRK's knowledge and based on detailed research in accordance with the prevailing views among experts at the time of sale.
- 2.2 The items up for auction are of an age and nature that often mean that they are in a worn, repaired or damaged condition. As a starting point everything is sold as used items. For this reason, the descriptions in the catalogue or at [bruun-rasmussen.dk](http://bruun-rasmussen.dk) do not include a statement regarding the above or the condition of the item.
- 2.3 In some cases, BRK may choose to describe an item's provenance. Such a description is made if a former owner is publicly known and/or if the story of previous ownership sheds further light on the item and its background. In other cases, such information is left out of the description, for instance to meet the seller's wish for privacy.
- 2.4 It is possible that the estimate and description are revised prior to the auction. Changes are published on BRK's website.

### 3 PREVIEW

- 3.1 Items up for auction are presented prior to the auction in one of BRK's showrooms. Potential bidders are encouraged to inspect the items closely and are responsible for determining the condition of the items at these previews, where they also have the opportunity to consult with the valuation experts.
- 3.2 If a potential buyer does not have the opportunity to inspect the item personally, a condition report can be drafted in most cases. The description in this report has been made according to BRK's honest conviction but is not based on scientific studies. A condition report only serves as an identification and is meant as an aid to bidders who do not have the opportunity to inspect the item at the preview.

## DURING THE AUCTION

### 4 THE ROLE OF BRK

- 4.1 The sale of an item is facilitated by BRK on behalf of the seller, and BRK always sells items up for auction at the highest price offered during the bidding round.

- 4.2 Items up for auction can have a reserve price that has been agreed upon with the seller. The price is confidential and the item cannot be sold below this price.

- 4.3 The Live Auctions are presided over by one of the Danish Ministry of Justice's appointed auctioneers, ensuring that the auctions proceed correctly and lawfully.

## 5 BIDDING

- 5.1 The currency used while the auctions take place is Danish kroner. The approximate amount in euro/US dollars is shown on screens in the saleroom and also on request.
- 5.2 The auctioneer determines the size of the bid increment and the pace of the auction. Bid increments usually rise by 5% - 10% compared to the previous bid. Approximately 50-100 auction lots are sold per hour.
- 5.3 The hammer price refers both to the gavel used by the auctioneer that signifies the end of a bidding round on an item and to the price (bidding amount) that the item up for auction is sold for. See paragraph 7 regarding amounts added to the hammer price.
- 5.4 The buyer is the bidder that submits the highest bid, thereby obtaining the hammer price. At the moment the hammer price is determined, a binding purchase/sale agreement is entered into based on these conditions of purchase.
- 5.5 If bids are made on behalf of others, the bidder serves as surety for the transaction.
- 5.6 Items are purchased in their present state and condition, and regardless of the type of bidding the buyer has no right to cancel his purchase, neither under the Danish Consumer Contracts Act.
- 5.7 Bidders are required, in accordance with BRK's instructions, to identify themselves and document their ability to pay, for instance by registration of a valid debit/credit card, bank guarantee or a deposit.
- 5.8 BRK may refuse to accept a bid if a sufficient guarantee of the bidder's ability to pay is not provided, or if the bidder has previously defaulted on payment obligations on purchases from BRK.
- 5.9 The overseeing auctioneer will, in consultation with the auctioneer at the podium, decide what to do in matters of dispute concerning a bidding round.

## 6 TYPES OF BIDDING

- 6.1 Bidding options:

#### IN PERSON:

Registration and obtaining the bidding paddle take place at the entrance to the saleroom. When the bidder wishes to bid, it is signalled to the auctioneer on the podium by raising the bidding paddle in the air and clearly displaying its number.

#### COMMISSION BIDS:

The intended maximum bid can be submitted via [bruun-rasmussen.dk](http://bruun-rasmussen.dk) until the start of the auction or by e-mail, fax or phone, so that the bid is received no later than 24 hours prior to the start of the auction. A commission agent bids on behalf of the bidder within the limits of the stated maximum bid. The commission agent will always bid the lowest possible amount to achieve the hammer price.

#### TELEPHONE BID:

With certain items it is possible to have a BRK employee call the bidder over the phone. The employee will then bid on behalf of the bidder during the auction. The service can be booked via [bruun-rasmussen.dk](http://bruun-rasmussen.dk) up until three hours before the auction is set to begin.

#### LIVE BIDDING:

It is possible to follow the auction live and bid on the auction lots via [bruun-rasmussen.dk](http://bruun-rasmussen.dk).

#### PRE-AUCTION:

Some Live Auctions are preceded by an online auction. The highest bids from the online auction then represent the starting bids at the following Live Auction.

## AFTER THE AUCTION

### 7 AMOUNTS ADDED TO THE HAMMER PRICE

- 7.1 In addition to the hammer price, see paragraph 5.3, the buyer pays a buyer's premium for the individual items as well as the other amounts described below if the conditions for these are applicable. The total amount that the buyer pays to BRK is called the "purchase price".
- 7.1.1 Buyer's Premium: The hammer price always includes an additional fee to BRK. At the Live Auctions, the fee is 25,6% of the hammer price + VAT of the fee, 32% in total. For stamps and coins, the fee is 20% of the hammer price + VAT of the fee, a total of 25%.
- 7.1.2 "LIVE Bidding": BRK's "LIVE Bidding" software is free to use for bidders on [bruun-rasmussen.dk](http://bruun-rasmussen.dk).
- 7.1.3 Full VAT: Certain items are sold at auction in accordance with the current rules regarding full VAT. In such a situation, a VAT of 25% is imposed on both the hammer price and the buyer's premium. These items are marked in the catalogue and on [bruun-rasmussen.dk](http://bruun-rasmussen.dk) with the symbol "\*\*\*", or with the text: "This item is subject to full VAT".
- 7.1.4 Artist's Resale Right: In accordance with Danish copyright law, a royalty fee covering the Artist's Resale Right has to be charged for works by newer Danish artists, and some foreign artists, who are either alive or have not been dead for more than 70 years. The royalty fee covering the Artist's Resale Right is charged on behalf of VISDA (Visual Rights Denmark). These works are marked "ARR" in the printed catalogue, and on [bruun-rasmussen.dk](http://bruun-rasmussen.dk) the description of the works includes the text: "This lot is subject to the Artist's Resale Right". The royalty fee covering the Artist's Resale Right is added to the hammer price + the buyer's premium (excluding VAT) if the amount exceeds EUR 300, as indicated below:

Hammer price + buyer's premium (ex. VAT)	Payment Rate
300,01 - 50,000 euro	5%
50,000,01 - 200,000 euro	3%
200,000,01 - 350,000 euro	1%
350,000,01 - 500,000 euro	0.5%
over 500,000 euro	0.25%

The royalty fee covering the Artist's Resale Right cannot exceed EUR 12,500 (excluding VAT) for each item. The fee must be paid in Danish kroner, and the conversion rate (EUR/DKK) is set by VISDA.

- 7.1.5 Debit/Credit Card Fee: Amounts Added to the Hammer Price: BRK reserves the right to charge the debit/credit card fees imposed by the payment services companies. The rates will appear when bidding on [bruun-rasmussen.dk](http://bruun-rasmussen.dk) and at payment.

### 8 PAYMENT DEADLINE

- 8.1 The purchase price falls due after the hammer price has been determined, and then the buyer has eight days to pay BRK the purchase price.

### 9 PAYMENT METHODS

- 9.1 The payment can be made in the following ways:
- A: With debit/credit card (Visa, MasterCard, Maestro, Diners Club, China UnionPay and JCB) or cash (up to DKK 14.999) in the saleroom or subsequently at one of

BRK's locations. Please note that we do not accept EUR 500 banknotes.

- B: With debit/credit card (Dankort, Visa, MasterCard, Diners Club and JCB) via BRK's website on the buyer's personal page.
- C: By bank transfer into BRK's account with Danske Bank: 4183 4310970638 · Swift/BIC: DABADKKK · IBAN: DK4130004310970638.

### 10 VAT EXEMPTION, PAYMENT & DEPOSIT

- 10.1 Some buyers can choose which type of VAT should apply to the transaction. The choice has to be communicated to BRK no later than two working days after the purchase and cannot be changed subsequently.
- A: Businesses in Denmark registered for VAT can decide that the transaction is to be conducted in accordance with the rules for full VAT, see paragraph 7.1.3.
- B: Businesses registered for VAT in another EU Member State can be exempted from paying Danish VAT if it can be proved that the item has been transported to the foreign address that the buyer has registered with BRK and which is written on the invoice. In such cases, the VAT should be settled according to the rules applicable in the country where the buyer is registered for VAT. It is advisable to consult with the local authorities. The buyer can decide not to be exempt from regular VAT and instead pay Danish VAT on second-hand goods/full VAT.
- C: Buyers residing outside the EU can be exempted from Danish VAT if it can be proved that the item has been transported out of the EU. To the extent possible and for a fee, BRK can issue the necessary export documents for the customs authorities. The buyer may decide not to be exempt from regular VAT and instead pay Danish VAT on second-hand goods/full VAT.
- 10.2 Companies registered for VAT in another EU Member State and buyers residing outside the EU must deposit the Danish VAT on the amount invoiced with BRK until the export process has been completed in a documented, lawful fashion. If the export is undertaken by one of BRK's authorized forwarding agents, the VAT does not have to be deposited. See the list of authorized forwarding agents on [bruun-rasmussen.dk](http://bruun-rasmussen.dk).

### 11 OVERDUE PAYMENTS

- 11.1 If payment is made after a deadline, including the deadline specified in paragraph 8, interest on overdue payments will be charged and estimated in accordance with the Danish Central Bank's official lending rate + 8% per year on the amount due.
- 11.2 If the purchase price, including interest, has still not been paid ten days after the demand for payment has been made, BRK is entitled to seek the purchase price paid by making a set-off against the deposit/by drawing on the bank guarantee or to cancel the purchase.
- 11.3 If the purchase is cancelled, BRK is entitled to sell the item at a new auction and demand the costs and any difference between the new and the earlier hammer price (including the buyer's premium) covered by the defaulting buyer.
- 11.4 In addition to debt collection, BRK may seek recovery of all due claims (including costs) not paid in a timely manner in the following ways:
- A: Making the buyer cover the costs of selling items consigned to auction by or on behalf of the buyer. The sale can be conducted without regard to an agreed reserve price. Items consigned for auction cannot be collected as long as overdue debts are unpaid.
- B: Seizing the buyer's remaining balance with BRK, including the balance from the sale of items consigned by or on behalf of the buyer, regardless of whether such receivables derive from auction sales prior to or after the date of the buyer's default on the payment.

### 12 PICK-UP & COLLECTION

- 12.1 The title to a purchased item passes to the buyer when the full purchase price, including any interest and fees, has been paid, and only then can the collection of an item take place.
- 12.2 In connection with the collection of a purchased item, BRK reserves the right to demand satisfactory documentation that the person who wants to pick up the item is either the buyer himself/herself or authorized by the buyer to receive the item on his/her behalf.
- 12.3 The collection of certain weapons requires presentation of a valid weapons certificate. Items with such requirements are listed with the text: "The purchase of this item requires the presentation of a valid weapons certificate" in the catalogue and on [bruun-rasmussen.dk](http://bruun-rasmussen.dk).
- 12.4 Purchased items are stored after the auction at the buyer's expense and risk. Pick-up must take place no later than eight working days after the last auction day.
- 12.5 If the item(s) is/are not picked up on time, the purchased items will be transported to a warehouse at the buyer's risk and expense. The transport costs are DKK 150 including VAT per item and the storage costs are DKK 150 including VAT per item for each week or part of a week. If an item is left unclaimed for an amount of time that results in the storage costs exceeding the value of the item, BRK will be entitled to, at the buyer's expense and risk and without regard to the reserve price, sell the item at an auction or privately. The buyer is still liable for the costs of transportation and storage not covered by such sale.
- 12.6 In accordance with current anti-money laundering laws, the buyer must in certain cases submit personal information and present a photo ID to BRK before the buyer can have the purchased item placed in his possession.

### 13 SHIPPING

- 13.1 If the buyer is unable to pick up the purchased item, BRK offers to pack and arrange delivery either by mail or by freight forwarder at the buyer's risk and expense. See paragraph 12.2 regarding identification.

### 14 EXPORT LICENSE

- 14.1 To ensure that Danish cultural heritage of vital importance remains in Denmark, the Danish Cultural Assets Commission can place an export ban on certain items. If the buyer wishes to export an item that is subject to an export ban in Denmark, the purchase will be cancelled and the Danish Cultural Assets Commission is obliged to acquire ownership of the item for the price obtained at auction. The buyer cannot raise any claims against BRK as a result of an export ban.
- 14.2 Certain items are included in the Washington Convention, also known as CITES. The purpose of CITES is to stop the trade of items made with endangered species and flora. If the item is included in the Washington Convention, CITES, Appendix 1, this will appear in the description of the item on [bruun-rasmussen.dk](http://bruun-rasmussen.dk) and be marked with the symbol "☉" in the catalogue. The following rules are applicable:
- A: Items that are included in the Washington Convention, CITES, Appendix 1, can only be traded when a dispensation in the form of a CITES certificate has been obtained. BRK obtains the required certificate from the Danish Nature Agency that allows trade and export to countries within the EU. Items that were produced before 1947 can, however, be freely traded within the EU without a certificate.
- B: It is only items included in the Washington Convention, CITES, Appendix 1 that are marked individually on [bruun-rasmussen.dk](http://bruun-rasmussen.dk) and in our catalogue. Items included in the Washington Convention, CITES, Appendix 2, which can be freely sold and transported within the EU, are not individually marked.
- C: Export to countries outside the EU must, regardless of the year of the item's production, always procure a CITES re-export permit from the Danish Nature Agency if the item is included in the Washington Convention, Appendix 1 and 2. This export permit can usually be

obtained without problems, if the item is either sold with a CITES certificate or was made prior to 1947. Appendix 2 items usually also receive a re-export permit without problems. Any fees charged by the Danish authorities in connection with the issuance of a re-export permit will be added to the buyer's invoice.

D: In connection with export to other countries outside the EU, special rules may apply concerning the subsequent import, and the buyer is encouraged to consult the relevant local authorities about this issue.

### 15 DEFECTS IN THE PURCHASED ITEMS

- 15.1 The lack of conformity rules of the Danish Sale of Goods Act may apply. Below is a non-exhaustive excerpt of the buyer's remedies in regard to lack of conformity.
- 15.2 The buyer is entitled to cancel a purchase if the description contained significant errors that have led to a higher hammer price than a correct description would have resulted in. In such cases, the total purchase price will be refunded. The buyer cannot demand payment of interest on the purchase price or demand payment of any other expenses or losses.
- 15.3 A purchase cannot be cancelled and the buyer cannot demand a refund of the purchase price or raise any other claims against BRK if the description of the item is in compliance with paragraph 2. The same applies if evidence of forgery has required the use of scientific methods that were either not available at the time of sale, were excessively costly to use or led to the damage of the item in question.
- 15.4 Claims for a cancellation of a purchase must be notified to BRK when the buyer has discovered the fact that entitles the buyer to cancel the purchase. This notice, however, has to be given no later than two years after the final pick-up date according to paragraph 12.4. The item purchased must be returned to BRK in the same condition as it was on the day it was sold at auction. If these conditions are not met, the buyer loses the right to cancel the purchase and cannot claim a refund of the purchase price. The buyer is responsible for paying the costs associated with the return of the item.

### 16 OBJECTIONS & LIMITATIONS OF LIABILITY

- 16.1 BRK is aware that errors, technical difficulties and external abuse or disruptive influences may occur during the auction. Bidders cannot raise any claims against BRK as a result of such events.
- 16.2 The buyer is always responsible for the correct payment of VAT and other costs, fees etc. in accordance with Danish and foreign regulations.
- 16.3 Unless otherwise stated in these conditions of purchase, BRK may never be held liable for bidders'/buyers' operating loss, loss of profits, other indirect losses or consequential loss.

### 17 PRIVACY POLICY

- 17.1 It is important to BRK to ensure confidentiality and security regarding the bidder's/buyer's personal information. The privacy policy can be found on [bruun-rasmussen.dk](http://bruun-rasmussen.dk).

### 18 COMPLAINTS, DISPUTE RESOLUTION AND APPLICABLE LAW

- 18.1 BRK can always be contacted if the bidder/buyer has a complaint.
- 18.2 If the dispute cannot be resolved, the consumer can submit a complaint to the Complaint Resolution Centre, Nævnenes Hus, Toldboden 2, 8800 Viborg, Denmark, email: [naevne-neshus.dk](mailto:naevne-neshus.dk). Consumers residing in another EU country than Denmark can submit their complaint to the European Commission's Online Dispute Resolution platform via the website: <http://ec.europa.eu/odr>.
- 18.3 In Denmark, disputes must be brought before the City Court of Copenhagen, but see paragraphs 18.2. The mandatory rules on jurisdiction apply to consumer interests.

## COMMISSION BIDS

### KOMMISSIONSBUD

It is possible to leave commission bids if you can not be present at the auction yourself. This service is free of charge.

When leaving a commission bid, you are instructing our customer service to bid up to a specified amount on your behalf.

The situation can occur that another buyer has already bid the same as you were prepared to. Are you then willing to bid further? If not the lot will be sold to another buyer.

If you do not wish to exceed your bid then write "Max", for maximum, next to the amount. You can also allow us to raise your bid by approx. 15% or approx. 25%.

The hammer price may be higher or lower than the estimated price, so it is possible to buy below the estimate. Bruun Rasmussen will always buy at the lowest price possible, as if you yourself had been present at the auction.

All commission bids are strictly confidential.

Commission bids must be submitted no later than **24 hours** prior to the start of the auction.

#### HOW TO MAKE A COMMISSION BID:

Complete the commission form with all pertinent information.

Indicate the lot number.

Indicate the amount you are prepared to bid.

Should this amount be the absolute maximum, please write "Max" in the appropriate column.

You can also allow us to bid by up to approx. 15% or approx. 25% more by indicating so.

Sign the commission form and make sure that Bruun Rasmussen receives it **24 hours** prior to the start of the auction.

If the information should be insufficient, Bruun Rasmussen can abstain from bidding. Bruun Rasmussen can not be held responsible for error in bidding or failure to execute bids.

#### INTERNET:

Commission bids can be submitted via website [bruun-rasmussen.dk](http://bruun-rasmussen.dk) directly from the page with the item you want to submit a bid for.

Deadline for submissions of bids via the website is **3 hours** prior to the start of the auction.

Submitted bids are shown under "Your bids" when you are logged in. Please contact technical support on +45 8818 1114 for questions about the registration and submission of bids on the website.

For additional information, please consult "Conditions of Purchase" §1.

#### TELEPHONE BIDDING:

Should you wish to bid at auction by telephone, please inform Bruun Rasmussen of your name and telephone number, as well as which catalogue numbers you are interested in, no later than **3 hours** prior to the start of the auction. You will then be contacted shortly before the relevant lot comes under the hammer, thereby allowing you to participate without being in the auction room yourself.

For additional information, please consult "Conditions of Purchase" §1.
